World Class IT Why Businesses Succeed When It Triumphs:

World Class IT Peter A. High, 2009-10-27 World Class IT Technology is all around us It is so pervasive in our daily lives that we may not even recognize when we interact with it Despite this fact many companies have yet to leverage information technology as a strategic weapon What then is an information technology executive to do in order to raise the prominence of his or her department In *World Class IT* recognized expert in IT strategy Peter High reveals the essential principles IT executives must follow and the order in which they should follow them whether they are at the helm of a high performing department or one in need of great improvement Principle 1 Recruit train and retain World Class IT people Principle 2 Build and maintain a robust IT infrastructure Principle 3 Manage projects and portfolios effectively Principle 4 Ensure partnerships within the IT department and with the business Principle 5 Develop a collaborative relationship with external partners The principles and associated subprinciples and metrics introduced in *World Class IT* have been used by IT and business executives alike at many Global 1000 companies to monitor and improve IT's performance Those principles pertain as much to the leaders of IT as they do to those striving to emulate them

Implementing World Class IT Strategy Peter A. High, 2014-08-21 The actionable guide for driving organizational innovation through better IT strategy With rare insight expert technology strategist Peter High emphasizes the acute need for IT strategy to be developed not in a vacuum but in concert with the broader organizational strategy This approach focuses the development of technology tools and strategies in a way that is comprehensive in nature and designed with the concept of value in mind The role of CIO is no longer just to manage IT strategy instead the successful executive will be firmly in tune with corporate strategy and a driver of a technology strategy that is woven into overall business objectives at the enterprise and business unit levels High makes use of case examples from leading companies to illustrate the various ways that IT infrastructure strategy can be developed not just to fall in line with business strategy but to actually drive that strategy in a meaningful way His ideas are designed to provide real actionable steps for CIOs that both increase the executive's value to the organization and unite business and IT in a manner that produces highly successful outcomes Formulate clearer and better IT strategic plans Weave IT strategy into business strategy at the corporate and business unit levels Craft an infrastructure that aligns with C suite strategy Close the gap that exists between IT leaders and business leaders While function innovation and design remain key elements to the development and management of IT infrastructure and operations CIOs must now think beyond their primary purview and recognize the value their strategies and initiatives will create for the organization With *Implementing World Class IT Strategy* the roadmap to strategic IT excellence awaits
