not yet been fully explored The mysteries and puzzles that arise from Dante s choice to personalize the epic along with his affinity for his local surroundings and how that affects his depiction of the places Church and politics in the poem are considered along with what this reveals about Brown s own usage of the work The authors will focus on and analyze how Dan Brown has repurposed Inferno in his newest book noting what he gets right and what errors are made when he does not Of course Dan Brown is not the first author to base his work on Dante The Comedy has elicited many adaptations from major canonical writers such as Milton and Keats to popular adaptations like David Fincher s Se7en and Tim Burton s Beetlejuice all of which will be discussed in detail within Inferno Revealed
