[Love and Narrative Form in Toni Morrison's Later Novels](#) Jean Wyatt, 2017-03 In *Love and Narrative Form in Toni Morrison's Later Novels* Jean Wyatt explores the interaction among ideas of love narrative innovation and reader response in Toni Morrison's seven later novels *Love* comes in a new and surprising shape in each of the later novels for example *Love* presents it as the deep friendship between little girls in *Home* it acts as a disruptive force producing deep changes in subjectivity and in *Jazz* it becomes something one innovates and recreates each moment like jazz itself Each novel's unconventional idea of love requires a new experimental narrative form Wyatt analyzes the stylistic and structural innovations of each novel showing how disturbances in narrative chronology surprise endings and gaps mirror the dislocated temporality and distorted emotional responses of the novels' troubled characters and demand that the reader situate the present day problems of the characters in relation to a traumatic African American past The narrative surprises and gaps require the reader to become an active participant in making meaning And the texts' complex narrative strategies

draw out the reader's convictions about love about gender about race and then prompt the reader to reexamine them so that reading becomes an active ethical dialogue between text and reader Wyatt uses psychoanalytic concepts to analyze Morrison's narrative structures and how they work on readers Love and Narrative Form devotes a chapter to each of Morrison's later novels Beloved Jazz Paradise Love A Mercy Home and God Help the Child **Toni Morrison's Song of Solomon** Jan Furman, 2003 Milkman Dead was born shortly after a neighborhood eccentric hurled himself off a rooftop in a vain attempt at flight For the rest of his life he too will be trying to fly As Morrison follows Milkman from his rustbelt city to the place of his family's origins she introduces an entire cast of strivers and seeresses liars and assassins the inhabitants of a fully realized Black world Toni Morrison Solomon Ogbede Iyasere, Marla W. Martin, 1996 This book brings together a sensitive understanding of love and an unusually careful even painstaking analysis of the enormous but often neglected role of morality and the virtues in love Martin's discussions of such virtues as caring courage fidelity and honesty are superb the examples well chosen the argument personal but nevertheless rigorous the prose accessible and enjoyable to read
