The Deliberate Sinner :

The Deliberate Sinner Bhaavna Arora,2014 Is there an acid test to gauge the success of a relationship Is it right to carry on in an unhealthy relationship with no conjugal bliss or look for an alternate path Rihana is an adventurous and free spirited girl until she marries Veer an eligible bachelor who comes from a wealthy family While they appear happily married their strong personalities are at odds Veer for the most part is insensitive to Rihana s physical and emotional needs straining the relationship and leaving her feeling incomplete Caught between the devil and the deep sea Rihana has to now decide whether to walk out of her marriage and be a victim of society s ridicule or compromise on her physical needs which for her are the foundation for a healthy marital bond Can they work out their differences Will Veer give her what she desires or push her to do something desperate and scandalous Destiny of the Defiant Donald J. SAINTS not sinners Kevin Don Levellie,2015-07-15 Christians are SAINTS They are not sinners in the present tense saved by grace Sinners is what they used to be The Bible nowhere teaches that a Christian has a sin nature or can be labeled a sinner This is established through examination of the three terms sinners Saints and flesh from a linguistic view as well as from their context in scripture Additionally there is a comprehensive search of the scriptures on the nature of the Saint This will empower every Christian to live what he knows **Handbook on the Pentateuch** Victor P. Hamilton,2005-09-01 In this introduction to the first five books of the Old Testament Victor Hamilton moves chapter by chapter through the Pentateuch examining the content structure and theology Hamilton surveys each major thematic unit of the Pentateuch and offers useful commentary on overarching themes and connections between Old Testament texts **From Creation to**

Re-Creation Daniel Lazich,2021-09-27 Within the last forty years scientific discoveries and knowledge about our universe contain unprecedented theological implications They imply that the creator exists more so than ever before These discoveries have developed a worldview that challenges both theologians and scientists to engage in a mutually fruitful dialogue From Creation to Re Creation uniquely presents God s accomplishments as author Daniel Lazich transports himself to a time when authors wrote creation narratives to depict the contrast between the ancient epics and biblical narrative It forcefully asserts that the creation of this world and humankind was accomplished by the Creator who loves humanity selflessly This assertion is backed by the most advanced study and research concerning our universe s nature Lazich writes that the final observer in quantum cosmology and God in the Bible are the same From Creation to Re Creation employs unprecedented theological implications to assert that the creator s existence is necessary for the universe and humankind in it to exist **The Blood**

Atonement Deception Gerald Sigal,2010-11-19 THE ATONEMENT DECEPTION explores the Christian theological fiction that belief in Jesus is the only way to receive divine forgiveness for ones sins Biblically both Jews and gentiles can receive forgiveness of sins through sincere repentant confessional prayer directed to the God of Israel This is true at all times and

in all places There has never been a need for the so called intercession role Jesus is supposed to play in attaining atonement The facts speak for themselves There is no truth to the Christian contention that Jesus died for our sins and salvation is only through Jesus Jesus death does not bring atonement from sin nor is it in any way a fulfillment of biblical prophecy *The Gospel according to st.
