The Gospels Compared J. Poynton, 1900 **The Gospels** Rose Publishing, 2007-09 Gospels Lost and Found Who really wrote the Gospels Was it really Matthew Mark Luke and John Or were the gospels written by people who were utterly unconnected with eyewitnesses as some books and TV shows claim Were the gospels written so long after Jesus death and resurrection that

they cannot be relied upon Were there gospels that were included in the New Testament and later removed Why were these four books chosen and not others 14 panels fits inside most Bibles Pamphlet is 8 5 x 5 5 inches and unfolds to 38 inches long Gospels Lost and Found gives solid reasons to trust the New Testament writings and provides answers to Bart Ehrman s book Misquoting Jesus The Story Behind Who Changed the Bible and Why Author Timothy Paul Jones Ph D shows where the critics are incorrect and provides us with a logical well reasoned arguments for believing that Jesus lived died and rose again according to the Scriptures Now is the time to discuss textual criticism because critics are bringing this to the public debate and claiming that the Bible cannot be trusted It is important help Christians become better informed ready to defend the faith Dr Jones interest in this topic began many years ago when he came across arguments against the Bible At first his faith was badly shaken and he wondered if he still believed in the Bible But as he researched more he found answers In just fourteen concise pages Dr Jones shows the errors in critics logic and facts and does it in an easy to understand style Dr Jones professor at Southern Baptist Theological Seminary has received the Baker Book House Award for excellence in theological scholarship He is author of Answers to the Da Vinci Code and Christian History Made Easy Click [HERE](#) to see more comments from top scholars on Dr Jones s work including his book length discussion on this topic published by InterVarsity Press Misquoting Truth Or enter into your browser http://www.ivpress.com/cgi/ivpress/book.pl?review_code=3447 **Studies in the Gospels** James DeWolf Perry,1925 [The GOSPELS in HARMONY Complete Consolidation and KJV Side by Side: Volume V](#) Dale LOVERCHECK,2017-09-13 One comprehensive story is presented in each of Volumes I VII rather than the four partial stories presented by the four Gospels All of the verses of the four Gospels are arranged chronologically and in the order presented in the Gospels in each volume The entire factual and verbal content of the four gospels is retained in each volume Volumes I 1A and II result from progressively omitting redundancy to consolidate the four stories into one seamless ordered complete concise story of Jesus The result is something I wanted to see I trust that you will be blessed The Single Story Volumes I and 1A is easy to read One concise story flows from the entire content of the four Gospels The Complete Consolidation Volume II is for readers wanting to refer to the corresponding verses in their bible Volumes I 1A and II are identical except that there over 300 heading lines with their verse references in Volume II While Volumes I and 1A have only 30 heading lines each without verse references And Volume 1A adds over 50 graphical depictions for various gospel settings More headings and verse references are helpful for study but they can slow the flow of the story Each of these volumes is insightful and exceptionally easy to read compared with trying to find and parse the combined meaning of the corresponding dispersed verses from four separate Gospels Volume III has most of the facts consolidated for most of the events from all four Gospels Volume IV has all of the verses presented chronologically and grouped by each events from all four Gospels Volumes III and IV show the progression from four sets of verses from four Gospels to one harmonized story Redundancy is completely omitted in Volumes I 1A and II The similarity to original separate verses increases and redundancy progressively increases as
