Assessment Section Quiz Wikispaces:

Understanding Bible by Design G. Brooke Lester, Christopher M. Jones, Jane S. Webster, 2014 Today's seminary instructors are expected to design and redesign their courses more nimbly than in the past. At the same time, institutional rewards for time invested in course design are fewer than ever. *Understanding Bible by Design* introduces the reader to *Understanding by Design*, an approach to course design that is proven, time-efficient, and grounded in the instructor's most closely held convictions about her subject matter's big ideas and essential questions. Lester's synopsis of course design and suggested action is followed by a collaborative dialogue with Jane S. Webster and Christopher M. Jones. Back cover
