cricketers of his generation Born in South Africa in 1980 to an Afrikaner father and English mother he made his first class cricket debut at the age of 17 In 1999 while playing with KwaZulu Natal he impressed former England captain Nasser Hussain and the following year signed for Nottinghamshire where he had a stunning debut season He moved to Shane Warne's Hampshire in 2004 and went on to make his international debut the same year soon becoming a cornerstone of the England side and playing a key role in the thrilling victory in the 2005 Ashes His England career looked in jeopardy however after his short and extremely controversial stint as England captain in 2008 ended in his sacking But Pietersen never one to be kept down for long cemented his comeback with a series of wonderful performances that led to being named the Player of the Tournament in England's 2010 World Twenty20 win Having left Surrey Pietersen's career had another strange twist in the summer of 2012 when amid a dismal home series against South Africa he first retired from one day internationals and was then dropped from the side for allegedly texting the opposition derogatory comments about his own team mates Finally back in the England fold and fresh off a match winning 186 in India Pietersen looks in control once again But with him controversy is never more than a switch hit away

Ian Botham Simon Wilde,2011-04-14 Ian Botham arrived on the international scene just in time to ride sport's first big financial wave and exploit the Thatcherite mantra of go out and get what you want He certainly needed the cash having been regularly short since leaving state school in Yeovil at 15 In an era short on glamour and personalities Botham brought an irresistible cocktail of talent energy and swagger With the stench of economic failure still in the air he made the country feel good about itself again He showed that Britain could still produce champions and that the working class still deserved to be valued For this he won himself a fund of public goodwill a fund he sometimes threatened to drain but uncannily managed to replenish Before Botham many saw cricket as a very staid very boring game He played it with an irreverent dash that stuck up two fingers at the cricket Establishment He wore striped blazers and strange hats sported long hair and droopy moustaches He got into trouble over punch ups drugs and girls He was even banned from playing at one point But all this would have meant little had he not been able to keep on achieving remarkable things as he did with impeccable timing and implausible frequency He had an insatiable appetite and an uncanny knack for creating tales of heroism but if he failed on that score there was always the chance of a scandal or two He gave the media everything they needed for front pages and back and some newspapers discovered that it didn't necessarily matter if the story was true or not as long as he was in it Ian Botham tells the story a great piece of British sporting history one of the greatest of a man for whom the glamour and the grit came together And it was the grit of the times in which Botham had grown up and the grit of the where he had come from
