Educational Technology and Methods of Teaching in Physical Education Dr. Mandeep Singh Nathial, 2020-09-03
Educational technology in teaching and learning is an important and challenging aspect in education The developments in
technology have made major impact on the education system across the globe It has helped in broadening our vision towards
new methods in education Technology for improving and facilitating learning process is everywhere and helps in increasing
the performance within the educating system Implementation of technology in education system has started taking place in
every classroom and has become an integral part of the system Thus technologies act as leaning and teaching tool for
teachers and students Teaching physical education can be challenging for many reason from lack of equipment to keeping
student engaged To meet these challenges physical education teaching are turning to technology to create more dynamic
classes that work for student with wide range of fitness levels and monitoring The book is based on the revised syllabus B P
Ed and is written to familiarise the latest methods of educational technology among teachers and students The main purpose
of the book is to provide relevant information and knowledge to students It will help them understand the concept of
educational technology in physical education The language of the book is very simple and easy to understand *Guidelines*
