Biblical Theology Jonathan Menn, 2025-11-21 Biblical Theology The Story of the Christ covers the overall biblical storyline and shows in detail how the entire Bible ultimately is about Christ This book does what no other book on biblical theology does it details Christ's pre incarnate appearances in the Old Testament how he appears in prophecy and how he appears typologically More than that the book shows how Christ is the fulfillment of all that Old Testament Israel and its major institutions were pointing to including the Abrahamic Davidic and new covenants the nation itself the tabernacle and temple sacrificial system and priesthood law Sabbath and feasts Because Jesus Christ is at the heart of the biblical story is its main character and holds the entire Bible together the book concludes with two important appendices Appendix 1 shows how Christ is fully God and fully man and discusses why that is important Appendix 2 explains the Christian doctrine that God is Trinity showing how that idea is neither incoherent nor illogical but clearly emerges from the Bible and is reasonably understandable In fact because God is Trinity trinitarian concepts have been designed into all levels of reality from the microscopic to the macroscopic

The Law of Freedom Daniel L. Rentfro Jr., 2019-10-29 The Law of Freedom Justice and Mercy in the Practice of Law examines the legal and theological roots of the concept of equity and the implications that the diminishment of equity as a legal concept has for the moral dilemmas faced by the practicing lawyer Meditating on the book of Micah the book argues that the Christian duty asks for both strict justice and gracious mercy with the prophet's third value humility essential for both the individual lawyer and the legal system as a whole to balance strict justice and mercy

Biblical Eschatology, Second Edition Jonathan Menn, 2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible's overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of

Gospel Theology John Kuyper Liberty, 2021-05-07. The gospel of Jesus Christ is not one theory of the world's origin and purpose standing behind or alongside other competing viewpoints. Neither is it one of many components of the Christian religion. It is the central purpose, heartbeat, and jewel of the entire universe. It is the power of God Almighty. It is the set of glasses we must wear to rightly understand all of God's Word and all of God's world. Whether we acknowledge it or not, Jesus Christ is the Lord, Savior, and Treasure. This gospel of Jesus Christ is God's grace for individuals and God's grace for all of creation. John Kuyper Liberty explains from Scripture that the gospel transforms how we understand and relate to God and his revelation, upward theology, how we understand and relate to ourselves and other Christians, inward theology, and how we understand and relate to God's broader creation, our communities, our cultures, and those who are not Christians, outward theology. This monumental resource, written for all people, includes chapter titles like *The Good News of God's Word*, *Gospel Worship*, *Gospel Joy*, *The Gospel and Money*, *The Gospel Centered Home*, *The Gospel and Work*, and *Gospel Society*. Jesus Christ by his perfect life, bloody cross, resurrection in power, and ascension into Kingship, is reconciling all things to himself.

Relationship Is the Transformative Space Darryl Wooldridge, 2016-02-09. This book affirms relationship as the shared human, elemental pursuit and proposes relationship as the transformative space. Wonderfully, the author asserts it is God's intention to fulfill this intrinsic human desire in the present in all of us and universally. This desire is an often inarticulate, innate desire and pursuit to enjoy and reflect the divine image in which every human being was created. In this book, this pursuit is referred to as proleptic spiritual transformation. Pr ST. That is, this book demonstrates that what is too often relegated to eternity is available now. *Relationship is the Transformative Space* considers God's heart in relationship and its implication toward human spirituality and how this intent has been interrupted and restored. God is actively interested in the recovery of a fully expressed image in humanity.

Readings in the History of Christian Theology, Volume 1, Revised Edition William Carl Placher, 2015-01-01. William Placher and Derek Nelson compile significant passages written by the most important Christian thinkers from the Reformers.

of the sixteenth century through the major participants in the contemporary theological conversation. Illustrating the major theologians, controversies, and schools of thought, *Readings in the History of Christian Theology* is an essential companion to the study of church history and historical theology. Excerpts are preceded by the editors' introductions, allowing the book to stand alone as a coherent history. This revised edition expands the work's scope, drawing throughout on more female voices and expanding to include the most important twenty-first-century theological contributions. This valuable resource brings together the writings of major theologians from the church's history for a new generation of students.

[John Wesley's Ecclesiology](#) Gwang Seok Oh, 2008

John Wesley inherited his rich legacy from various sources that were instrumental in shaping his ecclesiology. The major traditions on which he drew include primitivism, Anglicanism, Puritanism, and Pietism. He also drew, although not heavily, on the mystics of Roman Catholicism and indirectly on the reformers. Wesley's doctrine was an amalgam of the multiple traditions that he inherited and sought to appropriate in a creative eclecticism. This book is an attempt to interpret Wesley's ecclesiology in a comprehensive setting. Wesley's ecclesiology provides Wesleyan Churches with a renewed understanding of their origins and a model for moving toward a truly catholic, thoroughly evangelical, and continually reformed church.
