## **College Algebra Essentials:**

**College Algebra Essentials** Robert Blitzer, 2008-11-01 Normal 0 false false false Bob Blitzer's unique background in mathematics and behavioral sciences along with his commitment to teaching inspired him to develop a precalculus series that gets readers engaged and keeps them engaged Presenting the full scope of the mathematics is just the first step Blitzer draws in the reader with vivid applications that use math to solve real life problems These applications help answer the question When will I ever use this Readers stay engaged because the book helps them remain focused as they study The three step learning system See It Hear It Try It makes examples easy to follow while frequent annotations offer the support and guidance of an instructor's voice Every page is interesting and relevant ensuring that readers will actually use their textbook to achieve success Prerequisites Fundamental Concepts of Algebra Equations and Inequalities Functions and Graphs Polynomial and Rational Functions Exponential and Logarithmic Functions Systems of Equations and Inequalities For all readers interested in college algebra

**College Algebra Essentials** Robert Blitzer, 2003-09 For courses in College Algebra This book takes the same approach as the regular Blitzer College Algebra 3e version but has been condensed by deleting the last 3 chapters Chapter 6 Matrices and Determinants Chapter 7 Conic Sections and Analytic Geometry and Chapter 8 Sequences Induction and Probability This text explores math the way it evolved by describing real problems and how math explains them It is interesting lively with applications you won't see in any other math book and exceedingly clear Blitzer's philosophy present the full scope of mathematics while always 1 engaging the student by opening their minds to learning 2 keeping the student engaged on every page 3 explaining ideas directly simply and clearly Students are strongly supported by a consistent pedagogical framework A See it Hear it Try it format consistently walks students through each and every example in just the same way that an instructor would teach this example in class Blitzer liberally inserts voice balloons and annotations throughout the text helping clarify the more difficult concepts for students

**College Algebra Essentials, Books a la Carte Edition** Robert Blitzer, 2017-01-02 NOTE This edition features the same content as the traditional text in a convenient three hole punched loose leaf version Books a la Carte also offer a great value this format costs significantly less than a new textbook Before purchasing check with your instructor or review your course syllabus to ensure that you select the correct ISBN For Books a la Carte editions that include MyLab™ or Mastering™ several versions may exist for each title including customized versions for individual schools and registrations are not transferable In addition you may need a Course ID provided by your instructor to register for and use MyLab or Mastering products For courses in College Algebra Show students that our world is profoundly mathematical Bob Blitzer continues to inspire students with his engaging approach to mathematics making this beloved series the 1 in the market year after year Blitzer draws on his unique background in mathematics and behavioral science to present a wide range of vivid applications in real life situations Students of all majors stay engaged because Blitzer uses pop culture and up to date references to connect
