*In God's Name* David Yallop,2012-08-23 Only thirty three days after his election Pope John Paul I Albino Luciani died in strange circumstances Almost immediately rumours of a cover up began to circulate around the Vatican In his researches David Yallop uncovered an extraordinary story behind the Pope s death lay a dark and complex web of corruption within the Church that involved the Freemasons Opus Dei and the Mafia and the murder of the Pope s Banker Roberto Calvi When first published in 1984 *In God s Name* was denounced by the Vatican yet became an award winning international bestseller In this new edition Yallop brings the story up to date and reveals new evidence that has been long buried concerning the truth behind the Vatican cover up This is a classic work of investigative writing whose revelations will continue to reverberate around the world **Challenging Christian Questions** Angah Cedric,2024-04-04 The word of God is God s infallible word true and self sufficient However the Christian community faces a lot of divisions and diverse interpretations on biblical interpretations doctrines and matters of the faith Sometimes people come up with doctrines from portions of Scripture and some identify portions of Scripture as controversial to others However Scripture cannot be sectioned or and Scripture is never divided Scripture is self complementary wherein every section mostly a portion of the entire truth which added together fits to give the ultimate harmonious message of scriptural revelation Scripture is therefore not self contradictory but self complementary that is all Scriptures work together in giving the ultimate picture or message With this in mind it s important to deeply study Scripture starting with contextual implications to inter scriptural connection in order to rightly divide the word of Truth as 2 Timothy 2 15 In this book we will review some major challenging questions in the body of Christ with divided opinions exploring different perspectives doing an encompassing scriptural analysis and giving a conclusive Scripture focused perspective from these studies The Soul of Lilith Marie Corelli,1906 A novel in which a mystic named El Rami a practitioner of the arts of healing drawn from the occult science of the ancient Egyptians attempts to control and dominate the soul of a dead girl El Rami travels from London to Syria where he meets a caravan in the desert with two ailing

**Not in God's Name** Jonathan Sacks,2015-10-13 2015 National Jewish Book Award Winner In this powerful and timely book one of the most admired and authoritative religious leaders of our time tackles the phenomenon of religious extremism and violence committed in the name of God If religion is perceived as being part of the problem Rabbi Sacks argues then it must also form part of the solution When religion becomes a zero sum conceit that is my religion is the only right path to God therefore your religion is by definition wrong and individuals are motivated by what Rabbi Sacks calls altruistic evil violence between peoples of different beliefs appears to be the only natural outcome But through an exploration of the roots of violence and its relationship to religion and employing groundbreaking biblical analysis and interpretation Rabbi Sacks shows that religiously inspired violence has as its source misreadings of biblical texts at the heart of all three Abrahamic faiths By looking anew at the book of Genesis with its foundational stories of Judaism Christianity and Islam Rabbi Sacks offers a radical rereading of many of the Bible s seminal stories of sibling rivalry Cain and Abel Isaac and Ishmael Jacob and Esau Joseph and his brothers Rachel and Leah Abraham himself writes Rabbi Sacks sought to be a blessing to others regardless of their faith That idea ignored for many of the intervening centuries remains the simplest definition of Abrahamic faith It is not our task to conquer or convert the world or enforce uniformity of belief It is our task to be a blessing to the world The use of religion for political ends is not righteousness but idolatry To invoke God to justify violence against the innocent is not an act of sanctity but of sacrilege Here is an eloquent call for people of goodwill from all faiths and none to stand together confront the religious extremism that threatens to destroy us and declare Not in God s Name
