Mishkin, 2014-01-31 A Down to Earth Approach. James Henslin shares the excitement of sociology in *Essentials of Sociology: A Down to Earth Approach*, 11e. With his acclaimed down-to-earth approach and personal writing style, the author highlights the sociology of everyday life and its relevance to students' lives. With wit, personal reflection, and illuminating examples, Henslin stimulates students' sociological imagination so they can better perceive how the pieces of society fit together. In addition to this trademark down-to-earth approach, other distinctive features include comparative perspectives, the globalization of capitalism, and visual presentations of sociology. MySocLab is an integral part of the Henslin learning program. Engaging activities and assessments provide a teaching and learning system that helps students see the world through a sociological lens. With MySocLab, students can develop critical thinking skills through writing, explore real-world data through the new Social Explorer, and watch the latest entries in the Core Concept Video Series.
