EBOOK: Management Control Systems: European Edition Robert Anthony, Vijay Govindarajan, Frank Hartmann, Kalle Kraus, Göran Nilsson, 2013-04-16 Management Control Systems helps students to develop the insight and analytical skills required of today's managers. Students uncover how real world managers design, implement and use planning and control systems to implement business strategies. The first European edition is specifically aimed at an international audience and it has been thoroughly updated to include the latest developments in the field.

EBOOK: Management Control Systems, 2e Frank Hartmann, Kalle Kraus, Göran Nilsson, Robert Anthony, Vijay Govindarajan, 2020-11-05 EBOOK Management Control Systems 2e

The Strategic CFO Ulrich Hommel, Michael Fabich, Ervin Schellenberg, Lutz Firnkorn, 2011-10-20 The role of the Chief Financial Officer (CFO) has substantially changed in a world characterized by globalized financial markets and truly global products. The accelerated development of new technologies, products and markets has led to an increasingly dynamic and uncertain competitive situation. The book demonstrates and discusses the impact of this changing corporate environment on the role and responsibilities of the CFO. A more holistic view that integrates business and financial decisions is required in order to manage these challenges of globalization. The book shows how the CFO can adopt and implement this management approach and thus play a vital role in the firm's value creation.

Entrepreneurial and Demographic Challenges in Economic Development of EU Candidate Countries Vemić, Milan B., 2024-11-22 The economic development of EU candidate countries is shaped by entrepreneurial and demographic challenges that significantly influence their integration into the European Union. As these nations aim for growth and stability, they face various obstacles characterized by shifting demographic profiles, including aging populations and human migration. Fostering an effective entrepreneurial system is essential for increased innovation and job creation. Navigating these challenges requires specific policies that support small and medium-sized enterprises while addressing socio-economic disparities and demographic trends that hinder sustainable development. Further understanding of this relationship is pivotal for creating strategies that promote economic growth and foster the successful integration of these countries into the European Union.

Entrepreneurial and Demographic Challenges in Economic Development of EU Candidate Countries explores solutions for the economic improvement of European Union country candidates through entrepreneurship and demographics. The effectiveness of sustainable business management practices on global organizations are examined. This book covers topics such as management science, capitalism and sociology and is a useful resource for government officials, policymakers, economists, business owners, sociologists, academicians, researchers and scientists.
