Genrefication 101 HowExpert, Laura Holladay, 2017-10-11 Genrefication is a new trend in both school and public libraries. Librarians all over the world are starting to organize their collections in new ways. In the midst of this move away from traditional organization, many librarians find themselves asking some important questions: Why is this trend so popular? Is it really making a difference for users? Will our readers be damaged for life if we don't teach them how to function in traditional library organization? If those questions sound familiar, you've found the right book for you. In this book, we will discuss what it means to genrefy your library, is genrefication right for you, why genrefication is worth the work, how to keep genrefication from taking over your life and making you crazy, tips and tricks to make the process work even if you attempt it, and more. *Genrefication 101* is written for school librarians by a school librarian who has actually survived genrefying her own school's library. With ideas for how to win over reluctant administrators, suggestions for a variety of ways to genrefy, and simple tips to make things go more smoothly, this book is a great resource for any school librarian who is considering genrefication. About the Expert: Laura Holladay is in her fifth year as a school librarian and her twelfth year in education. Nothing makes her happier than helping children find books that they love. Her other hobbies include organizing books on the shelf, decorating her library, and having book clubs with her students. Believe it or not, she does have a life outside of the library. Laura and her dreamy husband enjoy reality competition shows, reading, and are working to adopt a child internationally. Laura has lived in three countries, five states, and currently calls South Carolina home. She thinks pets are nice for other people, has no children at the moment, and is super involved with her church. HowExpert publishes quick how-to guides on all topics from A to Z by everyday experts.

Self-Publishing Simplified Kristen Kieffer, 2022-03-01 You're ready to publish a book on your own terms. The only problem? You have no idea where to begin. Any way you slice it, the self-publishing learning curve is steep. Despite numerous late-night research sessions, you're still not sure how to hire a freelance editor or budget for pre-publication expenses. Terms like distributor, aggregator, and imprint elude you, and complicated book marketing advice has tempted you to give up your goal of self-publishing for good. If you're worried your writing dreams will remain forever out of reach, take heart: Self-publishing might be a veritable Mount Everest of creative feats, but you are capable of making the climb. With insights and actionable advice, this comprehensive reference guide will help you master the following key aspects of the self-publishing journey: Producing quality print books, e-books, and audiobooks; Crafting online listings that boost your book's visibility; Establishing an author platform that attracts your ideal readers; Implementing the five main types of book marketing. By the time you finish *Self-Publishing Simplified*, you'll not only have the vital information you need to produce, launch, and market your novel, memoir, or nonfiction book, you'll have the tools to build a lucrative and fulfilling career as an independent author.

Siren's Call: Cursed Seas Amy McKinley, 2020-02-18 Fate will not be denied. Nerissa thinks she's safe from the gods and elders that rule her village. She's wrong. It's only a matter of time before she is

chosen to pay the ultimate price her life As the maiden sacrifice nears Nerissa takes matters into her hands All she needs is a husband to escape the terms of the offering When she meets Zeer a visiting fisherman he sweeps her off her feet Are her prayers truly answered Everyone around her is keeping secrets and there is no one left to rely on but herself As the night ushers in a violent storm that echoes the god s anger she realizes the worst is yet to come When the first rays of dawn arrive a knock sounds at her door and she knows her entire world is about to turn upside down

Frost,2007-12-28 Few historical relics have exerted such a hold on our imaginations as the mummy In 1834 Thomas J Pettigrew s *A History of Egyptian Mummies* was the first scholarly work wholly devoted to the subject providing for its time a remarkable analysis of the different mummification techniques used by the ancient embalmers Such

volumes of serious nonfiction have been supplemented over the years by additional works both scholarly and otherwise as well as works of fiction that incorporate and expand upon mummy lore. Indeed, the popular concept of the mummy as a malevolent monster dates back to the nineteenth century when stories about mummies rising from the dead to terrify the living first captured the imagination of the reading public and set the revived corpse on the path to becoming a major horror icon. In *The Essential Guide to Mummy Literature*, Brian J. Frost provides the first in-depth survey and bibliography of works of fiction featuring mummies. In this comprehensive volume, Frost traces the development of the mummy story, paying particular attention to works by Victorian authors and pulp fiction writers as well as stories from the American pulp magazines. The annotated bibliography provides synopses of all the key works of fiction in the mummy canon as well as others not so well known. Full publication details for each entry with plot summaries of more than 500 works of fiction and abridged descriptions of 250 nonfiction books are provided. Additionally, a filmography is included along with listings of young adult novels, children's storybooks, and reference works for both adults and children. Well organized and comprehensive, *The Essential Guide to Mummy Literature* will appeal to devotees of the horror genre and students of popular literature as well as researchers and librarians.

School Library Journal, 2010. **Every Last Breath** Jennifer L. Armentrout, 2015-08-01. From the author of *From Blood and Ash*, each breath may be the last in the epic finale to the *Dark Elements* series. Every choice has consequences, and Layla Shaw faces tougher choices than most. Light or darkness? Hardest of all, Layla has to decide which side of herself to trust. What will she do with the new problem at hand? A Lilin, the deadliest of demons, has been unleashed, wreaking havoc on all around her. To keep her best friend from a fate worse than death, Layla must strike a deal with the enemy while saving her city from destruction. Torn between two worlds, Layla has no certainties, especially when an old bargain comes back to haunt them all. But sometimes when secrets are everywhere and the truth seems unknowable, you have to listen to your heart, pick a side, and fight like hell. Armentrout works her magic with swoon-worthy guys and a twist you never see coming.
