

Pre- and Post-Reading Strategy
TUCK EVERLASTING

Babbitt, Natalie. New York: Farrar, Straus and Giroux, 1975. [First Square Fish Edition, 2007.]

Herber Readiness - Teacher Instructions

Context: The questions in this Herber Readiness activity are intended to foreshadow some of the themes that the novel addresses, helping students access any schema they may have about these themes before encountering them in the novel.

Purpose: As a pre-reading strategy, this activity is designed to be conducted before reading any of the novel and can help students feel engaged in the text as they read because they will have recently thought about some of the issues the text brings up. As a post-reading strategy, it can help students see how reading texts can affect what they think about certain issues.

Materials Needed:

- ▲ Readiness Chart with Pre-Reading Ideas
- ▲ Five posters with the five ideas from the chart written at the top

Pre-Reading Time Allotted: 30 minutes

Post-Reading Time Allotted: 50 minutes

Directions for Pre-reading:

1. Explain to students that you are starting a new novel and have an activity that will introduce some of the ideas and themes that the novel deals with.
2. Distribute the handout to each student.
3. Have each student answer the questions individually. (5-7 minutes)
4. Have five posters attached to the walls of the classroom, each with one of the statements at the top. Tell the class that you will be having a "silent discussion" about the statements. Each student will work his or her way around the room, adding one comment to each poster. (7-10 minutes)
5. When all students have had an opportunity to write, have them walk around again reading their peers' comments. (5-7 minutes)

Directions for Post-reading: (This activity will take place after the first-draft reading and before the second-draft reading.)

1. Distribute a fresh copy of the pre-reading handout.
2. Have students respond again to the questions - individually. (7 minutes)
3. Distribute students' original responses from the pre-reading activity. (2 minutes)
4. Give students time to compare. (3 minutes)
5. Give each student three tickets. Have them put their names or initials on them. (3 minutes)
6. Have students form a discussion circle. Each student, in order to earn full participation points for the activity will need to participate in the ensuing discussion at least three times, placing their

Pre And Post Reading Strategy Tuck Everlasting
