Communicative English For Engineers And Professionals Bhatnagar Nitin, 2010-09 Perfect Agreement Michael Downing, 2009-11-17 Mark Sternum a professor who teaches spelling and grammar at Boston s McClintock College is full of droll observations about the rules that govern our language but he leads a diligent if somewhat detached life Friends and family try to coax him into deeper involvement yet he keeps even his lover at arm s length He screens all incoming calls including his eccentric sister s word pictures about the waning days of their comatose mother One day an African American single mother who has failed the college s basic skills test for the last time accuses Mark of prejudgism and Mark is fired Blown off course he monitors the ensuing academic skirmish from a distance as his case makes national headlines and turns his attention instead to the graceful rhythms of a small Shaker community As the scrambled pieces of Mark s life and the simple ways of the Shakers begin to merge Mark finds new beauty in his own maddening blissful dependency on the people in his life Funny and generous Downing s seemingly effortless prose juxtaposes cunning portraits of academic functionaries weathering the age of political correctness with the people and values of the last Shaker families in America
