Prince Harry Not Engaged To Meghan Markle Despite Report:

SNIFFED OUT: Meghan, Harry, Disney, and the Advocacy for Human Rights, United States, United Kingdom, and the Commonwealth. Pallavi Kakoti McHugh, 2025-01-30 THE TRUE STORY OF HOW THE EIGHT DOGS OF A UNITED NATIONS WHISTLEBLOWER HUMAN RIGHTS ADVOCATE THE CREATOR OF THE WORLD S MOST RACIALLY AND POLITICALLY INCLUSIVE STORY EXPOSED DISNEY S DECEPTION AND MEGHAN MARKLE AND PRINCE HARRY S HYPOCRISY AND RACE BAITING Meghan Markle was a little known actress from America barely recognized as a suitcase girl on Deal or No Deal the oral sex girl in 90210 and later in the cable TV show Suits Her fame skyrocketed after her marriage to Prince Harry in 2017 which featured a lavish wedding costing around 46 million largely funded by the British royal family and UK taxpayers Inviting mainly Hollywood celebrities it appeared to be a networking event rather than a traditional royal affair In 2020 videos emerged of Meghan and Harry pitching themselves to Disney executives sparking embarrassment worldwide with even Beyonc looking uncomfortable This incident led me to suspect that there s a deeper issue at play regarding Meghan s true intentions and her use of her royal status for personal gain and Disney s public image As a person of color from the Commonwealth married to a white man for 20 years I was disgusted by the Oprah interview with Meghan and Harry in March 2021 Their claims of racism within the British Royal Family and media especially while Prince Philip was on his deathbed were deeply unsettling This portrayal not only created a global perception of racism in the UK but also undermined the progress made in race relations trivializing the experiences of real victims of racism like myself Prince William the future King was compelled to break the royal protocol of maintaining silence and carrying on with duties to defend himself and his family The actions of Meghan and Harry who preached compassion in words but practiced destruction further divided people worldwide based on race The late Queen Elizabeth II died a year later with both her and Prince Philip s last thoughts being that the world believed there was racism in their family and the Commonwealth would eventually break up because of it I knew there was no racist in the British royal family only a race baiter and a shrewd opportunist was present who used people of color and the Commonwealth and racism for their ambition Their actions in my opinion tried to divide the world based on race and harm racial harmony for insatiable greed for power and fame The racial harmony that is crucial for the world in so many ways was just a pawn in a dangerous scheming game for power and fame In December 2022 Meghan and Harry s documentary misled the public by suggesting that Commonwealth countries are akin to a British Empire 2 0 Discover the only legal evidence that I have guarded for 5 years that reveals Meghan Markle as a benefactor of discrimination rather than the victim she has portrayed herself to be Learn how she and Disney are negatively impacting the world and human rights in my work Sniffed Out This serves as a wake up call for the public reinforcing the belief that ultimately good triumphs over evil It s vital to safeguard your interests and the universal right to equal opportunity and we must all play our part in ensuring this and protect racial harmony from race baiters This captivating true story reveals the intertwining fates of Pallavi Kakoti

King Charles Robert Jobson, 2019-11-12. An exhaustive and revealing biography of Britain's new monarch, King Charles III, with fresh reporting by the journalist the Wall Street Journal dubbed the Godfather of royal reporting. With exclusive interviews and extensive research, King Charles delivers definitive insight into the extraordinary life of His Royal Highness, former Prince of Wales, as he takes the throne, a watershed moment in modern history and in the British monarchy. New York Times bestselling author Robert Jobson debunks the myths about the man who became king, going beyond banal, bogus media caricatures of Charles to tell his true story. Jobson, who has spent nearly thirty years chronicling the House of Windsor and has met Charles on countless occasions, received unprecedented cooperation from Clarence House, what was the Prince's office, in writing this illuminating biography. King Charles divulges the full range of Charles's profoundly held political beliefs, the United Kingdom's special relationship to the United States, climate change, Brexit, and immigration, to ultimately portray the kind of monarch Charles III will be. Jobson taps a number of sources close to the now King who have never spoken on the record before, plus members of the Royal Household who have served Charles during his decades of public life. This comprehensive profile also reveals the late Queen Elizabeth's plans to transition Charles to the throne, how, at her insistence, he already reads all government briefings, and why he feels it is his constitutional duty to relay his thoughts to ministers in his controversial black spider memos. Moreover, King Charles reveals the truth about Charles's deeply loving but occasionally volatile relationship with his second wife and chief supporter, Camilla. The result is an intriguing new portrait of a man who, at last, has become king.
