The Yellow Birds Kevin Powers:

The Yellow Birds Kevin Powers, 2012-09-11 Finalist for the National Book Award *The Yellow Birds* is the harrowing story of two young soldiers trying to stay alive in Iraq. The war tried to kill us in the spring. So begins this powerful account of friendship and loss. In Al Tafari, Iraq, twenty-one-year-old Private Bartle and eighteen-year-old Private Murphy cling to life as their platoon launches a bloody battle for the city. Bound together since basic training, when Bartle makes a promise to bring Murphy safely home, the two have been dropped into a war neither is prepared for. In the endless days that follow, the two young soldiers do everything to protect each other from the forces that press in on every side: the insurgents, physical fatigue, and the mental stress that comes from constant danger. As reality begins to blur into a hazy nightmare, Murphy becomes increasingly unmoored from the world around him, and Bartle takes actions he could never have imagined. With profound emotional insight, especially into the effects of a hidden war on mothers and families at home, *The Yellow Birds* is a groundbreaking novel that is destined to become a classic.

The Yellow Birds Kevin Powers, 2013 An unforgettable depiction of the psychological impact of war by a young Iraq veteran and poet. *The Yellow Birds* is already being hailed as a modern classic.

A Line in the Sand Kevin Powers, 2023-05-16 In this spellbinding and totally original thriller, Philipp Meyer, author of *The Son*, a lonely veteran's gruesome discovery throws him right into the face of danger as a twisted investigation unravels the secrets of his dark past. One early morning on a Norfolk beach in Virginia, a dead body is discovered by a man taking his daily swim, Arman Bajalan, formerly an interpreter in Iraq. After narrowly surviving an assassination attempt that killed his wife and child, Arman has been given a lonely sanctuary in the US as a maintenance worker at the Sea Breeze Motel. Now convinced that the body is connected to his past, he knows he is still not safe. Seasoned detective Catherine Wheel and her newly minted partner have little to go on beyond a bus ticket in the dead man's pocket. It leads them to Sally Ewell, a local journalist as grief-stricken as Arman is by the Iraq War, who is investigating a corporation on the cusp of landing a multi-billion-dollar government defense contract. As victims mount around Arman, taking the team down wrong turns and towards startling evidence, they find themselves in a race committed to unraveling the truth and keeping Arman alive, even if it costs them absolutely everything.

A Shout in the Ruins Kevin Powers, 2018-05-15 Set in Virginia during the Civil War and a century beyond, this novel by the award-winning author of *The Yellow Birds* explores the brutal legacy of violence and exploitation in American society. Spanning over one hundred years, from the antebellum era to the 1980s, *A Shout in the Ruins* examines the fates of the inhabitants of Beauvais Plantation, outside of Richmond, Virginia. When war arrives, the master of Beauvais, Anthony Levallois, foresees that dominion in a new America will be measured not in acres of tobacco under cultivation by his slaves, but in industry and capital. A grievously wounded Confederate veteran loses his grip on a world he no longer understands, and his daughter finds herself married to Levallois, an arrangement that feels little better than imprisonment. And two people enslaved at Beauvais plantation, Nurse and Rawls, overcome impossible odds to be together.

only to find that the promise of coming freedom may not be something they will live to see Seamlessly interwoven is the story of George Seldon a man orphaned by the storm of the Civil War looking back from the 1950s on the void where his childhood ought to have been Watching the government destroy his neighborhood to build a stretch of interstate highway through Richmond he travels south in an attempt to recover his true origins With the help of a young woman named Lottie he goes in search of the place he once called home all the while reckoning with the more than 90 years he lived as witness to so much that changed during the 20th century and so much that didn't As we then watch Lottie grapple with life's disappointments and joys in the 1980s now in her own middle age the questions remain How do we live in a world built on the suffering of others And can love exist in a place where for 400 years violence has been the strongest form of intimacy Written with the same emotional intensity harrowing realism and poetic precision that made *The Yellow Birds* one of the most celebrated novels of the past decade *A Shout in the Ruins* cements Powers' place in the forefront of American letters and demands that we reckon with the moral weight of our troubling history

Divided by Terror John Bodnar, 2021-04-12 Americans responded to the deadly terrorist attacks on September 11, 2001 with an outpouring of patriotism though all were not united in their expression A war-based patriotism inspired millions of Americans to wave the flag and support a brutal War on Terror in Afghanistan and Iraq while many other Americans demanded an empathic patriotism that would bear witness to the death and suffering surrounding the attack Twenty years later the war still simmers and both forms of patriotism continue to shape historical understandings of 9/11's legacy and the political life of the nation John Bodnar's compelling history shifts the focus on America's War on Terror from the battlefield to the arena of political and cultural conflict revealing how fierce debates over the war are inseparable from debates about the meaning of patriotism itself Bodnar probes how honor brutality trauma and suffering have become highly contested in commemorations congressional correspondence films soldier memoirs and works of art He concludes that Americans continue to be deeply divided over the War on Terror and how to define the terms of their allegiance a fissure that has deepened as American politics has become dangerously polarized over the first two decades of this new century

Letter Composed During a Lull in the Fighting Kevin Powers, 2014-04-01 The award-winning author of *The Yellow Birds* returns with an extraordinary debut poetry collection National Book Award finalist Iraq war veteran novelist and poet Kevin Powers creates a deeply affecting portrait of a life shaped by war *Letter Composed During a Lull in the Fighting* captures the many moments that comprise a soldier's life driving down the Texas highway waiting for the unknown in the dry Iraq heat writing a love letter listening to a mother recount her dreams Written with evocative language and discernment Powers's poetry strives to make sense of the war and its echoes through human experience Just as *The Yellow Birds* was hailed as the first literary masterpiece produced by the Iraq war this collection will make its mark as a powerful enduring work *Los Angeles Times*
