

CERTIFIED RELIABILITY ENGINEER (CRE) BODY OF KNOWLEDGE

The topic in this Body of Knowledge includes additional detail in the form of subject explanations and the cognitive level at which the candidate will be within. This information will provide useful guidance for both the Candidate Development Committee and the candidates preparing to take the exam. The subject is not intended to limit the subject matter or the structure of what might be covered in an exam. It is intended to clarify the type of content to be expected in the exam. The descriptor in parentheses at the end of each entry refers to the highest cognitive level at which the topic will be tested. A more comprehensive description of cognitive levels is provided at the end of this document.
