The Essentials of Marketing Management - Theory, Tools and Practices Mr. Kevin Rozario, Dr. Thanapackiam, Ms. R Shanmugapriya, Dr. D. Muthukrishnaveni, 2024-12-18 The Essentials of Marketing Management Theory Tools and Practices serves as an essential resource for both beginners and seasoned professionals in the field of marketing. It provides an in-depth exploration of marketing management, blending theoretical foundations with practical applications. The book offers a clear understanding of the core concepts such as consumer behavior, product life cycle management, pricing strategies, market research, and branding. One of the key strengths of this book is its focus on contemporary marketing practices, with particular attention to digital marketing, social media strategies, and data-driven decision making. As the business world shifts toward more data-centric approaches, this book provides readers with the tools needed to navigate and excel in the digital landscape. It covers a wide range of topics, from the fundamentals of marketing strategy to advanced techniques in sales management, e-commerce, and performance metrics. In addition to traditional marketing principles, the book emphasizes the importance of leadership, team building, and HRM in fostering a successful marketing team. It also highlights the significance of aligning marketing efforts with overall business goals, ensuring that marketing strategies drive long-term growth. Overall, this book is a must-read for anyone seeking a comprehensive, up-to-date guide to marketing management.

Consumer Behavior Shailendra Kumar Singh, Dr. Jay Prakash Verma, Dr. D. Sidhardha, Dr. Rajlaxmi Pujar, Consumer Behavior is the study of how individuals and groups make decisions to purchase, use, and dispose of goods and services. It examines psychological, social, and cultural factors influencing buying behavior, helping businesses design effective marketing strategies.

Microeconomics: Theory and Applications, 3rd Edition Dwivedi D.N., 2016 Microeconomics Theory and Applications provides a comprehensive and authentic text on the theory and applications of microeconomics. The book has been thoroughly revised with new chapters and sections added at appropriate places and meets the study requirements of regular students of microeconomics and of those preparing for competitive examinations. An effort has been made to present microeconomic theories lucidly and comprehensively and to delineate the application of microeconomic theories to business decision making and to analyse the economic effects of indirect taxes, subsidy, and pricing policies of the government.

Key Features: Coverage of all topics taught in Indian universities and business schools. Complex theories are explained with self-explanatory diagrams. Plenty of numerical problems. Questions from various university question papers are given at the end of each chapter. New in this Edition: More examples and mathematical treatment of economic theories. Substantial revision and updating of several chapters. Two additional chapters: i) Application of Competitive Market Theory, ii) Theory of Sales Maximization and Game Theory.

Microeconomics: Theory and Applications, 4th Edition 599 Dwivedi D.N., 2023 The objective of this book is to provide a comprehensive and authentic analysis of microeconomic theories and their applications to business decisions and to the determination of the general equilibrium of microeconomic variables. Some significant

changes have been made in this edition of the book by taking in view the modern syllabi of microeconomics recommended by the UGC and the universities in India

The Impact of Advertisement on Consumer's Buying Behaviour Vishal Karavadra, 2023-07-31 Master's Thesis from the year 2023 in the subject Sociology Consumption and Advertising grade 81% University of Europe for Applied Sciences course Master of Business Administration MBA language English abstract This paper aims to elicit the aims and objectives pertaining to the research issue. The objectives have been framed and used for being able to examine and understand the research-based significance. The structural steps and features of the study of research can be mentioned and their evaluation can be done effectively. The rationale of research has discussed the issue upon which the study of research is focused upon and assessed. The social media-based marketing dimensions and traditional marketing approaches also could be explained and incorporated for promotion of the products and their services. The literature review incorporates consumer purchasing behaviour theories to evaluate the factors behind the changing attitude of customers while buying new products. Methodology is the third chapter of the entire dissertation. This chapter deals with the methods that are justifiable for the conduction of research study stages. Mixed methodology is being followed due to the collection and analysis of primary and secondary data sources. A section of reliability and validity including some ethical considerations are provided with chapter summary at the end. The discussion chapter in the study is mainly based on the primary findings based on the survey questionnaires and the respondents which have been conducted in the particular study. The discussion chapter elaborates the influential marketing of the advertisements and have captured the variant essences of the study.
