

Impact of features on classification accuracy of IRS LISS-III images using artificial neural network

Mr.Anand Upadhyay, Dr (Mr.) Santosh Kumar Singh , Mr.Vipin.G.Shukla

Department of IT Thakur College of Science & Commerce ,Thakur Village, Kandivali (E), Mumbai-400101, India

ABSTRACT

The proposed research paper uses the artificial neural network with back propagation of error is used to classify the LISS-III satellite images. It is a multi-spectral images which are stacked together and there different feature are used for the classification. In this classification the comparative study is performed on two different types of training sets which are used for the classification training. The First training set consist of the R, G, B colour value of the image in this case accuracy and kappa coefficient was 95% and 0.9331 respectively. Second training set consist of R, G, B, mean, mode, median, variance and standard deviation of colour feature and in this case the accuracy and kappa coefficient was 97% and 0.9652 respectively. So after this study and comparative analysis it is observed and concluded that there is the impact of features on the classification. If the number features are less then there is fall in the classification accuracy but increase in the classification accuracy with respect to increase in the number of features in the training sets.

Keywords:- LISS-III satellite Image, mean, mode, median, variance, standard deviation, neural network, and classification.

1.INTRODUCTION

Classification is one of the data mining methods which are used to classify the object into predefined group. It is the most frequently used decision making tasks of human activity. A classification problem occurs when an object needs to be assigned into a predefined group or class based on a number of observed attributes related to that object. The classification also plays very important role in the remote sensing and satellite image classification. There are number of application i.e. encompassing reconnaissance creation of mapping products for military and civil application, evaluation of environmental damage, monitoring of land use and land cover urban planning, growth regulation, soil assessment and crop yield appraisal where image classification plays major role to study and monitor all these things[1]. Due to the advancement in the area of remote sensing, data mining tools, digital image processing and high computational computers there are number of students, academicians, research scholars and different organizations are attracted towards the remote sensing and the different application of remote sensing. They are try to find out different ways through which they can use the satellite images for various purposes either related to different resource evaluation, analysis, planning, management or monitoring purpose. So, in all these application one important application of satellite image is land use and land cover classification. Land use and land cover classification plays very important role for the development of thematic map and to study the area covered by different resources. The satellite based land use and land cover classification plays important role to map the different resources which saves the time of doing so much survey and field work. It also covers those area where the survey and field work cannot easily perform or difficult to perform. The land use and land covered classified images are also used to study the change detection which are carried out by the human or the nature. We can also study the impact of human settlement and its impact on the natural resources. There are number of classification techniques are available i.e. KNN (K-nearest neighbour), Decision tree, ANN (artificial neural network), SVM (Support vector machine), Bayesian classifier and Discriminate base classification. All these classification techniques are basically classified in two categories which are known as supervised and unsupervised classification. An unsupervised classification technique, in which the objects are classified based on its similarity which is called as cluster. On the other hand in supervised classification technique classification performed based on the training set which is called as the learning from the example. Here, in this paper artificial neural network is design to classify the IRS-P6 LISS-III satellite image for various land use and land cover classification. The artificial neural network with back propagation of error applies the supervised classification which requires the training set of data. So, here in the paper the artificial neural network based comparative analysis is performed and it is tried to find out what is the impact of feature in the case of supervised classification. In the comparative study of ANN based classification there are two types of samples are used in which one samples has three feature where as in the second one there are eight features are used for the training purposes. So, with comparative analysis of ANN based classification, it is found that there is the impact of attribute on the classification because the

Classification Of Irs Liss Iii Images By Using Artificial:

The book delves into Classification Of Irs Liss Iii Images By Using Artificial. Classification Of Irs Liss Iii Images By Using Artificial is a vital topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Classification Of Irs Liss Iii Images By Using Artificial, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Classification Of Irs Liss Iii Images By Using Artificial
 - Chapter 2: Essential Elements of Classification Of Irs Liss Iii Images By Using Artificial
 - Chapter 3: Classification Of Irs Liss Iii Images By Using Artificial in Everyday Life
 - Chapter 4: Classification Of Irs Liss Iii Images By Using Artificial in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of Classification Of Irs Liss Iii Images By Using Artificial. This chapter will explore what Classification Of Irs Liss Iii Images By Using Artificial is, why Classification Of Irs Liss Iii Images By Using Artificial is vital, and how to effectively learn about Classification Of Irs Liss Iii Images By Using Artificial.
 3. In chapter 2, the author will delve into the foundational concepts of Classification Of Irs Liss Iii Images By Using Artificial. This chapter will elucidate the essential principles that need to be understood to grasp Classification Of Irs Liss Iii Images By Using Artificial in its entirety.
 4. In chapter 3, the author will examine the practical applications of Classification Of Irs Liss Iii Images By Using Artificial in daily life. This chapter will showcase real-world examples of how Classification Of Irs Liss Iii Images By Using Artificial can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Classification Of Irs Liss Iii Images By Using Artificial in specific contexts. The fourth chapter will explore how Classification Of Irs Liss Iii Images By Using Artificial is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, the author will draw a conclusion about Classification Of Irs Liss Iii Images By Using Artificial. This chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Classification Of Irs Liss Iii Images By Using Artificial.

Classification Of Irs Liss Iii Images By Using Artificial Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information.

No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Classification Of Irs Liss Iii Images By Using Artificial PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Classification Of Irs Liss Iii Images By Using Artificial PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Classification Of Irs Liss Iii Images By Using Artificial free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your

fingertips.

FAQs About Classification Of Irs Liss Iii Images By Using Artificial Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Classification Of Irs Liss Iii Images By Using Artificial is one of the best book in our library for free trial. We provide copy of Classification Of Irs Liss Iii Images By Using Artificial in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Classification Of Irs Liss Iii Images By Using Artificial. Where to download Classification Of Irs Liss Iii Images By Using Artificial online for free? Are you looking for Classification Of Irs Liss Iii Images By Using Artificial PDF? This is definitely going to save you time and cash in something you should think about.
