

Why did you decide to become an electrical engineer? / What made you want to study electrical engineering?

The interviewers ask this question to check your passion for this engineering field, better understand your background, and figure out how they relate to each other. This is one of the primary and most asked electrical engineering interview questions. While answering this question, you should be ready to talk about your education, interest in engineering, and personal experiences in this field. Highlight your passion for the electrical engineering field and strictly avoid answers such as, "I knew engineers made good money" or "My parents wanted me to study electrical engineering."

General Interview Questions for Electrical Engineers

Here are some fundamental general interview questions for electrical engineers that assess overall knowledge and experience. The answers can vary according to one's perspective and background, here we are just giving references.

What is the one thing that you like most about electrical engineering?

The aspect I like most about electrical engineering is its ability to translate theoretical concepts into tangible innovations, from designing circuits to developing sustainable energy solutions.
