**RATIONALE**

Guidance and Counseling is predominantly concerned with assisting individual towards the greater balance of personal development and decision making within the context of social opportunities, freedom, social certainties, and responsibilities on the other hand. Thus, the process of guidance and counseling entails establishing an awareness of individual's strengths, potentials, and constraints, acceptance of irrevocable things and independent solving problems, creating choices and decisions. This helps the individual to gain broader insights of the possibilities needed for understanding himself, adjusting to the rapid change of society, wisely choosing among educational and vocational demands and opportunities.

**OBJECTIVES**

The client will be able to:

- Identify and develop their abilities and interests.
- Understand their strengths, and limitations according to their abilities.
- Obtain information about educational and vocational opportunities and requirements
- Make realistic educational and vocational choices and plans
- Resolve their own personal and social problems
- Select appropriate vocational career
