## **Witness Whittaker Chambers:**

Witness Whittaker Chambers, 2014-12-09 1 New York Times bestseller for 13 consecutive weeks As long as humanity speaks of virtue and dreams of freedom the life and writings of Whittaker Chambers will ennoble and inspire PRESIDENT RONALD REAGAN One of the dozen or so indispensable books of the century GEORGE F WILL Witness changed my worldview my philosophical perceptions and without exaggeration my life ROBERT D NOVAK from his Foreward Chambers has written one of the really significant American autobiographies When some future Plutarch writes his American Live he will find in Chambers penetrating and terrible insights into America in the early twentieth century ARTHUR SCHLESINGER JR Chambers had a gift for language to call Chambers an activist or Witness a political event is to say Dostoevsky was a criminologist or Crime and Punishment a morality tract WASHINGTON POST Chambers was not just the witness against Alger Hiss but was also one of the articulators of the modern conservative philosophy a philosophy that has something to do with restoring the spiritual values of politics SAM TANENHAUS author of Whittaker Chambers One of the few indispensable autobiographies ever written by an American and one of the best written too HILTON KRAMER The New Criterion First published in 1952 Witness is the true story of Soviet spies in America and the trial that captivated a nation Part literary effort part philosophical treatise this intriguing autobiography recounts the famous Alger Hiss case and reveals much more Chambers worldview and his belief that man without mysticism is a monster went on to help make political conservatism a national force Regnery History's Cold War Classics edition is the most comprehensive version of Witness ever published featuring forewords collected from all previous editions including discussions from luminaries William F Buckley Jr Robert D Novak Milton Hindus and Alfred S Regnery *Witness Whittaker Chambers* Whittaker Chambers, 1952 **Witness** Whittaker Chamber, 1952 **Whittaker Chambers** Sam Tanenhaus, 1998-04-28 Whittaker Chambers is the first biography of this complex and enigmatic figure Drawing on dozens of interviews and on materials from forty archives in the United States and abroad including still classified KGB dossiers Tanenhaus traces the remarkable journey that led Chambers from a sleepy Long Island village to center stage in America's greatest political trial and then in his last years to a unique role as the godfather of post war conservatism This biography is rich in startling new information about Chambers's days as New York's hottest literary Bolshevik his years as a Communist agent and then defector hunted by the KGB his conversion to Quakerism his secret sexual turmoil his turbulent decade at Time magazine where he rose from the obscurity of the book review page to transform the magazine into an oracle of apocalyptic anti Communism But all this was a prelude to the memorable events that began in August 1948 when Chambers testified against Alger Hiss in the spy case that changed America Whittaker Chambers goes far beyond all previous accounts of the Hiss case re-creating its improbably twists and turns and disentangling the motives that propelled a vivid cast of characters in unpredictable directions A rare conjunction of exacting scholarship and narrative art Whittaker Chambers is a vivid tapestry of 20th century history *Witness, by Whittaker*

*Chambers* John Phillips Marquand, 1952      **Political Conversion** Don Waisanen, 2018-04-20 Stories of religious conversion have been told for millennia Yet many prominent figures such as Ronald Reagan Hillary Clinton and Rick Perry have also used stories of their change from one political worldview to another as a communication strategy aimed at winning the hearts and minds of the public This book is about political conversion stories in public discourse in their evolution from and interactions with religion From a historical perspective it charts the development of conversion narratives from religious contexts to their contemporary applications as specifically political messages Since these narratives continue to be used in the culture wars this book examines several related autobiographies that contributed to the use of this strategy in contemporary U S politics Each case shows how shifts during the postwar period called for conversion texts under varying guises and illustrates how and why the majority of these stories have been of conversions from the ideological left to the right Examining political conversion as a form of public persuasion *Political Conversion* ultimately provides insight into what these types of civic religious stories mean for democratic communication and communities      *The Witness and the President* K. Alan Snyder, 2017-05-30 Whittaker Chambers and Ronald Reagan two conservative icons Both hold a special place in the minds and hearts of political and cultural conservatives and their names are linked in the history of American conservatism Reagan owes a huge debt to Chambers's reflections on communism and freedom with his autobiography *Witness* serving almost as the midwife for Reagan's political rebirth He partially repaid that debt when he awarded Chambers with the Presidential Medal of Freedom in 1984 The two men though were opposites in their temperaments and predictions about the future of freedom Chambers was so gloomy about the prospects for the free world that when he deserted communism he stated to his wife You know we are leaving the winning world for the losing world Reagan however never lost his faith that America's future was bright and that the Western world could help promote liberty in nations that were trapped by tyranny and spiritual darkness Which of these two icons was closer to the truth This book examines and contrasts the Chambers pessimism with the Reagan optimism and seeks to answer that question      *Alger Hiss* Christina Shelton, 2012-04-17 In 1948 former U S State Department official Alger Hiss was accused of being a Soviet spy Because the statute of limitations on espionage had run out he was convicted only of perjury Decades later after the Hiss trial had been long forgotten by most archival evidence surfaced confirming the accusations a public servant with access to classified documents had indeed passed crucial information to the Soviets for more than a decade Yet many on the American Left still consider Hiss an iconic figure an innocent victim accused of unsubstantiated crimes They prefer to focus on the collectivist ideals Hiss stood for rather than confront the reality of a man who systematically and methodically betrayed his country Former U S Intelligence analyst Christina Shelton employs an in depth knowledge of Soviet intelligence affairs as well as recently released Hungarian and KGB archival material to shine a fresh light on one of the most famous espionage cases The story is dramatic but Shelton's analysis goes beyond sensationalism as she explores both the ideological motivation behind Hiss's behavior and the lasting

influence it has had on U S foreign policy Why exactly were the intellectual elite so deter mined that Hiss was innocent His accuser Time magazine senior editor Whittaker Chambers originally Hiss s Soviet handler presented compelling written evidence However the intelligentsia were intent on supporting one of their own They ignored the facts a willful blindness that helped contribute to a polarization still in place in our country today Thirty years of intelligence analysis gives Shelton the expertise to approach the story from many different angles especially Her persuasive argument that Communism and Fascism are not polar opposites as has so long been claimed but highly similar ideologies How Hiss s central role at the Yalta Conference and the founding of the United Nations are examples of the significance of Soviet intelligence recruitment of high level Americans who could influence U S foreign policy in their favor Why the silence surrounding the implications of Hiss s espionage continues and why apologists fear that smearing his name would undercut New Deal policies and the United Nations Shelton doesn t just detail the body of evidence pointing to Hiss s guilt she suggests new layers of meaning in light of the current political landscape Today the importance of understanding Hiss s ideological commitment has never been more vital His advocacy of collectivism and internationalism still resonate among the political elite making this book an important and timely analysis of American thought at this critical juncture in our country s life Secret City James Kirchick, 2022-05-31 The New York Times Bestseller A New York Times Notable Book of 2022 Named one of Vanity Fair s Best Books of 2022 Not since Robert Caro s Years of Lyndon Johnson have I been so riveted by a work of history Secret City is not gay history It is American history George Stephanopoulos Washington D C has always been a city of secrets Few have been more dramatic than the ones revealed in James Kirchick s Secret City For decades the specter of homosexuality haunted Washington The mere suggestion that a person might be gay destroyed reputations ended careers and ruined lives At the height of the Cold War fear of homosexuality became intertwined with the growing threat of international communism leading to a purge of gay men and lesbians from the federal government In the fevered atmosphere of political Washington the secret too loathsome to mention held enormous terrifying power Utilizing thousands of pages of declassified documents interviews with over one hundred people and material unearthed from presidential libraries and archives around the country Secret City is a chronicle of American politics like no other Beginning with the tragic story of Sumner Welles Franklin Delano Roosevelt s brilliant diplomatic advisor and the man at the center of the greatest national scandal since the existence of the United States James Kirchick illuminates how homosexuality shaped each successive presidential administration through the end of the twentieth century Cultural and political anxiety over gay people sparked a decades long witch hunt impacting everything from the rivalry between the CIA and the FBI to the ascent of Joseph McCarthy the struggle for Black civil rights and the rise of the conservative movement Among other revelations Kirchick tells of the World War II era gay spymaster who pioneered seduction as a tool of American espionage the devoted aide whom Lyndon Johnson treated as a son yet abandoned once his homosexuality was discovered and how allegations of a homosexual ring controlling Ronald Reagan nearly derailed

his 1980 election victory Magisterial in scope and intimate in detail Secret City will forever transform our understanding of American history

**An Un-American Life** Sam Tanenhaus,2007-01 The author charts the story of Whittaker Chambers whose transformation from Communist agent to anti Communist witness climaxed in 1948 when he testified against Alger Hiss a senior U S State Department official in the controversial trial that shook and changed America

**Catalogue of Paintings** York City Art Gallery,1961

**The Conservative Intellectual Movement in America Since 1945** George H. Nash,1996 First published in 1976 George H Nash s celebrated history of the postwar conservative intellectual movement has become the unquestioned standard in the field This edition published in commemoration of the book s thirtieth anniversary includes a new preface and conclusion by the author and will continue to instruct anyone interested in how today s conservative movement was born

*Whittaker Chambers* Richard M. Reinsch,2023-08-22 What Chambers Can Teach Us Whittaker Chambers is rightly remembered for his pivotal role in the electrifying Alger Hiss spy case But as Richard Reinsch reminds us in this volume of the acclaimed Library of Modern Thinkers series Chambers was more than just a government informant he was a profoundly important thinker who grappled with the nature of modern man s predicaments Whittaker Chambers The Spirit of a Counterrevolutionary shows that Chambers s thought posed and still poses a challenge to American conservatism and its typical focus on markets and small government In his journalism essays personal correspondence with the likes of William F Buckley Jr and landmark autobiographical tome Witness Chambers engaged more broadly analyzing the fundamental question of who man is and the classical and spiritual foundations of civilization Defying conventional thinking Reinsch argues that the former Communist spy may have been more right than wrong when he predicted that the West would lose the Cold War While the Soviets Communist system did of course collapse the spiritual and philosophical sickness that Chambers identified Reinsch suggests has not been cured

**Ghosts on the Roof** Whittaker Chambers,Terry Teachout,Milton Hindus,2017-07-05 Whittaker Chambers is one of the most controversial figures in modern American history a former Communist spy who left the party testified against Alger Hiss before the House Un American Activities Committee and wrote a classic autobiography Witness Dismissed by some as a crank reviled by others as a traitor Chambers still looms as a Dostoevskian figure over three decades after his death in 1961 A man of profound pessimism rare vision and remarkable literary talents his continuing importance was attested to when Ronald Reagan posthumously awarded him the Medal of Freedom in 1984 Ghosts on the Roof originally published in 1989 brings together more than fifty short stories essays articles and reviews that originally appeared in Time Life National Review Commonweal The American Mercury and the New Masses Included are essays on Karl Marx Reinhold Niebuhr James Joyce Franz Kafka George Santayana Dame Rebecca West Ayn Rand and Greta Garbo These show Chambers at his best as a peerless historian of ideas

**Records and Briefs New York State Appellate Division** , **Commonweal** ,1929 **The American Mercury** ,1952 Essays Milton Hindus,1988 The essay Celine Once More pp 149 161 originally published in Brandeis Essays Waltham MA Brandeis University 1983 deals

with the author's visit to the antisemitic French writer in Denmark which resulted in his book *The Crippled Giant* 1950  
Expresses similar views to those found in the revised edition see the preceding entry **The Hastings Law Journal** ,2000  
Hastings Law Journal ,1999

## Decoding **Witness Whittaker Chambers**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Witness Whittaker Chambers**," a mesmerizing literary creation penned by a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
