Benjamin Carson Book:

My Life Ben Carson, M.D., 2015-07-14 Ben Carson grew up in the inner cities of Boston and Detroit with his mother and brother. When his father deserted the family, Ben's mother worked several jobs to support her boys yet worked even harder to encourage them to get an education and follow their dreams. Ben's dreams nearly ended when his anger at being poor and the ridicule of a school mate caused him to snap; he lunged at the boy and cut him with a knife. That brush with attempted murder caused Carson to break down and ask God to turn him around. And turn him around he did. A poor student, Carson, under the guidance of his mother and brother, became the best student in his class, his school, and ultimately earned a scholarship to Yale. The next time he used a knife was as a neurosurgeon at Johns Hopkins Hospital where he pioneered surgery techniques that not only saved lives but miraculously gave countless children an amazing quality of life. *My Life* is the story of a young boy who could have remained trapped in poverty were it not for his mother's tough and sacrificial love, his own perseverance that he learned from her example, and his deep faith that called him to do great and mighty things. This book contains a new chapter about Dr. Carson's philosophies of serving one's country, becoming role models for people with disadvantaged backgrounds, using the talents God has given you, embracing what success really is, and believing youths and adults alike that with hard work and perseverance you can do it. And on May 4, 2015, Dr. Ben Carson declared himself a candidate for the Presidency of the United States of America.

Healing Hands Karen Kellaher, 2003-01-01 As a kid, Dr. Ben Carson always knew he wanted to become a doctor. But that didn't seem likely. He had a nasty temper. He hung out with a bad crowd. Today, Dr. Carson is a brain surgeon. He performs operations so difficult they are practically medical miracles. He has separated twins who were joined at the head. He performs a kind of surgery that involves removing half of a patient's brain. How did Dr. Carson turn his life around? It's an amazing story.

Ben Carson Ben Carson, Cecil Murphey, Nathan Aaseng, 1992 Based on Carson's *Gifted Hands*, an encouraging story for kids with low self-esteem.

Think Big Ben Carson, M.D., Cecil Murphey, 2009-08-30 Do you feel like your life is a series of shattered dreams? Have you bought into the lie that you'll never amount to anything? In *Think Big*, Dr. Ben Carson is here to tell you some good news: none of that is true. By learning to think big, Ben rose from his humble beginnings to create a life full of amazing accomplishments and international renown. He climbed from the academic bottom of his fifth grade class to become, at age thirty-three, head of pediatric neurosurgery at Johns Hopkins Hospital. He learned that he had potential, but more importantly, he learned how to unleash it, and you can too. If you put the principles in this book in motion, you can transform your life into one you'll love. As Dr. Carson teaches you how to unlock your own potential, you'll also learn the importance of surrounding yourself with a supportive community. How to look for God's gifts in your daily life. The key to shifting your perspective and thinking big. Your life is big, far bigger than you've ever imagined. Inside these pages lie the keys to recognizing your full potential. If you're ready to build a life that is rewarding, significant, and abundantly fruitful, let *Think Big* be your guide.
