

Multiple Regression Practice Problems Set C

26. In Exercise 4, you used efficiency ratio and total risk-based capital to predict ROAA for a sample of 200 community banks. Here again is the multiple regression analysis of the data:

Predictor	Coef	SE Coef	T	P
Constant	1.385	0.37	3.744	0
Efficiency Ratio	-0.007	0.006	-1.198	0.232
Risk-Based Capital	0.018	0.002	8.682	<0.001

- (a) Construct and interpret a 95% confidence interval estimate of the population slope between ROAA and efficiency ratio. Show your work.

- (b) At the 0.05 level of significance, determine whether each independent variable makes a significant contribution to the regression model. On the basis of these results, indicate the independent variables to include in this model.

Multiple Regression Practice Problems Answers

Gary W. Heiman

Multiple Regression Practice Problems Answers:

Business Statistics J. K. Sharma, 2012 In this edition efforts have been made to assist readers in converting data into useful information that can be used by decision makers in making more thoughtful information based decisions Business Statistics, 5th Edition Sharma J.K., 2019 The fifth edition of the book *Business Statistics* will provide readers an understanding of problem solving methods and analysis thus enabling readers to develop the required skills and apply statistical techniques to decision making problems A large number of new business oriented solved as well as practice problems have been added thus creating a bank of problems that give a better representation of the various business statistics techniques **Business Statistics For B.Com Students - NEP 2020 Jharkhand** J K Sharma, *Business Statistics for B Com students of Jharkhand* has been designed keeping in mind the latest NEP 2020 syllabus It will provide its readers an understanding of problem solving methods and analysis thus enabling them to develop the required skills and apply statistical techniques to decision making problems A large number of new business oriented solved as well as practice problems have been given thus creating a bank of problems that give a better representation of the various business statistics techniques This book meets the specific and complete requirements of students who need to understand the basic concepts of business statistics and apply results directly to real life business problems The book also suits the requirements of students who need practical knowledge of the subject Business Statistics, 4th Edition J.K.
