All the Dirty Parts Daniel Handler, 2019-08-27 Fascinating profane One of the most original and realistic depictions of the sex lives of young people to come around in a long time LA Times from bestselling award winning Daniel Handler Cole is a boy in high school He runs cross country he sketches he jokes around with friends But none of this quite matters next to the allure of sex Let me put it this way he says Draw a number line with zero is you never think about sex and ten is it's all you think about and while you are drawing the line I am thinking about sex Cole fantasizes about whomever he's looking at He consumes and shares pornography And he sleeps with a lot of girls which is beginning to earn him a not quite savory reputation around school This leaves him adrift with only his best friend for company and then something startling starts to happen between them that might be what he's been after all this time and then he meets Grisaille All the Dirty Parts is an unblinking take on teenage desire in a culture of unrelenting explicitness and shunted communication where sex feels like love but no one knows what love feels like With short chapters in the style of Jenny Offill or Mary Robison Daniel Handler gives us a tender brutal funny intoxicating portrait of an age when the lens of sex tilts the world There are love stories galore Cole tells us This isn't that The story I'm typing is all the dirty parts

Bottle Grove Daniel Handler, 2019-08-27 A razor sharp tale of two couples two marriages a bar and a San Francisco start up from a best selling award winning novelist This is a story about two marriages Or is it It begins with a wedding held in the small San Francisco forest of Bottle Grove bestowed by a wealthy patron for the public good back when people did such things Here is a cross section of lives a stretch of urban green where ritzy guests lustful teenagers drunken revelers and forest creatures all wait for the sun to go down The girl in the corner slugging vodka from a cough syrup bottle is Padgett she's keeping something secreted in the woods The couple at

the altar are the Nickels the bride is emphatic about changing her name as there is plenty about her old life she is ready to forget Set in San Francisco as the tech boom is exploding Bottle Grove is a sexy skewering dark comedy about two unions one forged of love and the other of greed and about the forces that can drive couples together into dependence and then into sinister even supernatural realms Add one ominous shape shifter to the mix and you get a delightful and strange spectacle a story of scheming and yearning and foibles and love and what we end up doing for it and everyone has a secret Looming over it all is the income disparity between San Francisco s tech community and everyone else **The Writers Directory** ,2013
