Summary of Stuart Wilde's Infinite Self Everest Media,2022-03-27T22:59:00Z Please note This is a companion version not the original book *Sample Book Insights 1* The first step in the 33 Steps is called *I Am God* You must accept the idea that the God Force is within you When you perceive God as a force outside of you you can't use its energy properly Once you internalize the force and it is not just a vague intellectual concept of the God within then you can feel the God Force inside of you 2 Your first power is to believe in God This may seem egotistical but you are not embracing the idea of God to talk about it or show off your Godlike qualities Rather you are silently internalizing the idea that the God Force is within you as a spiritual feeling 3 To become free and activate the Infinite Self you must abandon the dogma of the ego and adopt a more fluid and open approach Otherwise you are perpetually stuck in the agony of the ego 4 You are the God Force within You have the power to control your life You must accept the infinity within you and begin to rely on the power of your intellect and perceptions of the ego's world
