Sleeping Giants:

Sleeping Giants Sylvain Neuvel, 2016-04-26 A page turning debut in the tradition of Michael Crichton World War Z and The Martian Sleeping Giants is a thriller fueled by an earthshaking mystery and a fight to control a gargantuan power A girl named Rose is riding her new bike near her home in Deadwood South Dakota when she falls through the earth She wakes up at the bottom of a square hole its walls glowing with intricate carvings But the firemen who come to save her peer down upon something even stranger a little girl in the palm of a giant metal hand Seventeen years later the mystery of the bizarre artifact remains unsolved its origins architects and purpose unknown Its carbon dating defies belief military reports are redacted theories are floated then rejected But some can never stop searching for answers Rose Franklin is now a highly trained physicist leading a top secret team to crack the hand s code And along with her colleagues she is being interviewed by a nameless interrogator whose power and purview are as enigmatic as the provenance of the relic What s clear is that Rose and her compatriots are on the edge of unraveling history s most perplexing discovery and figuring out what it portends for humanity But once the pieces of the puzzle are in place will the result prove to be an instrument of lasting peace or a weapon of mass destruction Praise for Sleeping Giants As high concept as it is Sleeping Giants is a thriller through and through One of the most promising series kickoffs in recent memory and a smart demonstration of how science fiction can honor its traditions and reverse engineer them at the same time NPR Neuvel weaves a complex tapestry with ancient machinery buried in the Earth shadow governments and geopolitical conflicts But the most surprising thing about the book may just be how compelling the central characters are in the midst of these larger than life concepts I can t stop thinking about it Chicago Review of Books A remarkable debut Reminiscent of Max Brooks s World War Z the story s format effectively builds suspense Library Journal debut of the month This stellar debut novel masterfully blends together elements of sci fi political thriller and apocalyptic fiction A page turner of the highest order Kirkus Reviews starred review Don t miss any of The Themis Files by Sylvain Neuvel SLEEPING GIANTS WAKING GODS ONLY HUMAN *Wake Up the Sleeping Giants* Dorothy McDaniel, 2014-04 This book is written for those who are spiritually asleep to be awakened in order to carry out the Great Commission of Jesus Christ To operate in the supernatural led by the Holy Spirit that it may be said of the modern day Christians as it was said of the early Christians they are turning the world upside down Wake up the alarm is sounding This is no time to press the snooze button and continue to doze because the rapture is imminent In a dream I saw a multitude of people flying like birds into the sky It seemed as if they were being drawn up by a giant magnet I said in amazement This is it The rapture is taking place I saw many people walking around on the ground seemingly unaware of what was taking place around them Suddenly I was taken up by the spirit of God as well and flown around in the sky but just as quickly as I was taken up I was placed firmly back down on the ground Wake Up the Sleeping Giants will explain in detail why I was placed back on the ground and not raptured at that time Also how I became spiritually awakened with a mandate
