Stanley Eitzen, Maxine Baca Zinn, Kelly Eitzen Smith, 2010-09-30 With a critical conflict perspective this text looks at the social structures and inequalities that contribute to social problems Taking a conflict approach top selling *Social Problems* 12e focuses on the underlying features of the social world in an effort to help students to understand today's social problems

Social Problems James M. Henslin, 2006 This theoretically balanced text provides the latest research findings and a consistent structure to help students analyze major social problems facing the United States Henslin presents both sides of an argument with a neutral voice and has a down to earth writing style When students complete this text not only do they gain a sociological understanding of social problems but also they are able to explore and evaluate their own opinions about specific social problems They will gain a greater awareness of the social forces that shape their orientations to social problems and their perspectives on social life The ideas in this book then can penetrate students thinking and give shape to their views of the world

Society in Focus William E. Thompson, Joseph V. Hickey, Mica L. Thompson, 2018-11-13 *Society in Focus An Introduction to Sociology Ninth Edition* emphasizes how society and social forces affect everything from globalization and international policies to day to day activities in our personal lives In this edition the authors go beyond the mere questioning of issues to take a closer look at the social world in which we live They provide an integrated approach that uses sociological thinking to help students analyze and understand key concepts To focus increased attention on sociological thinking and research methods they have chosen four key themes media and technology globalization cultural diversity and trends for the future Because sociology is about all of us and our daily lives it is an eminently practical and useful discipline for understanding our social world This Ninth Edition Includes specific student outcomes for each chapter as well as assessment items linked to those outcomes new chapter opening vignettes that give real life examples illustrating important terms concepts and theories included in that chapter updated data statistics maps charts boxes and tables citing the latest research available examples of the powerful impact of media and technology on society especially the role social media play in helping to shape and define our daily social lives new photos and cartoons accompanied by critical thinking questions that reinforce and illustrate important sociological terms concepts and theories

21st Century Anthropology: A Reference Handbook H. James Birx, 2010-06-10 Highlighting the most important topics issues questions and debates these two volumes offer full coverage of major subthemes and subfields within the discipline of anthropology

LGBT Families Nancy J. Mezey, 2015 Part of the Sage Contemporary Family Perspective series this book presents a comprehensive understanding of lesbian gay bisexual and transgender families today by drawing upon and making sense of the burgeoning scholarly literature about LGBT families from the late twentieth and early twenty first centuries

Social Problems James M. Henslin, Donald Light, Jr., 1983 This theoretically balanced text provides the latest research findings and

a consistent structure to help students analyze major social problems facing the United States Henslin presents both sides of an argument with a neutral voice and has a down to earth writing style When students complete this text not only do they gain a sociological understanding of social problems but also they are able to explore and evaluate their own opinions about specific social problems They will gain a greater awareness of the social forces that shape their orientations to social problems and their perspectives on social life The ideas in this book then can penetrate students thinking and give shape to their views of the world

Investigating Social Problems A. Javier Trevino, 2024-05-16 General Editor A Javier Trevino working with a panel of experts thoroughly examines all aspects of social problems providing a contemporary and authoritative introduction to the field Each chapter is written by a specialist on that particular topic This unique contributed format ensures that the research examples and theories described are the most current and relevant available The text is framed around three major themes intersectionality the interplay of race ethnicity class and gender the global scope of many problems and how researchers take an evidence based approach to studying problems
