

The diagram illustrates the interaction between a spacecraft and its environment. On the left, a satellite is shown in orbit. Three horizontal arrows point from the satellite towards the right, representing the flow of particles or energy. On the right, a cross-section of a planet's magnetosphere is depicted, showing magnetic field lines that are compressed on the left side (facing the satellite) and stretched out on the right. A second satellite is shown in the lower right quadrant, positioned within the magnetosphere. The entire scene is set against a light blue background.
