Bunce, Cinzia M. Muzzi, 2004

This book provides an overview of the issues facing new chemistry faculty in preparation for teaching. Serving as a reference to answer specific questions new chemistry faculty encounter, this book is comparable to sitting down with a colleague in the department and talking through some ideas or gaining some pointers on how to avoid common pitfalls. It is the one single place new chemistry faculty can go to find practical information on how to teach and how to prepare for teaching their first course. Chapters are written both by established experts in the field and by new professors within their first couple of years of teaching.

Certified Flight Instructor Test Prep 2004 Aviation Supplies & Academics, Inc, 2003-09. This series of test preparation guides for pilots covers the Federal Aviation Administration FAA exams for applicants seeking licensing by the FAA. The FAA publishes a question database on the Internet to help applicants prepare for the exams but they do not supply the correct answers. This series is fashioned to aid the applicant in studying for an exam by providing answers and explanations for every question in the FAA exam database. Designed to encourage self testing and promote memory recall, these books arrange topics by subject category and are accompanied by specific study material for each category.
