Nayar, 2026-02-09 A panoramic history of one of India's greatest pastimes Bollywood through the lens of that nation's distinct brand of secularism Nayar provides readers an accessible overview of the vast fluid complex that is Bollywood including the offscreen politics often driving that complex by chronicling how religious pluralism has been cinematically conceived negotiated played into and politicized From the silent films of the colonial period to the slick blockbusters in the era of globalization and Hindutva Nayar exposes the strategies that have gone into reflecting India's unity in diversity and the threats recurrently embattling that constitutionally enshrined principle If cinema is the barometer of popular attitudes in India what better to measure the public's commitment to its characteristic brand of secularism In this way the book offers no less a compelling box office history of Bollywood than a history of modern India through its films

**Hindi** ,2001 **Science Reporter** ,1996 The art of Self Publishing and Website creation Premyogi vajra, 2021-01-02 This book is a compilation of Premyogi vajra's blog posts that he has created for demystifyingkundalini.com Premyogi vajra is a self-aware and mysterious person With his Kundalini awakening there was a flood of high mentality in his brain Impressed by that he created many books and the above website Regarding his experiences related to book publishing and website making he made them known as his blog posts A separate chapter has been created for each article Readers will surely find this e-book interesting informative and comfortable to read Knowledge sharing is a fundamental tool to grow a society Experience gained without subsequent sharing is of little value It remains confined to a single man and gets perished with him Therefore to be able to properly and easily share one's experiences one must know at least basics of self-publishing and website creation for these are basic modern tools of sharing knowledge Writer had to deal with great deal of hassle while learning self-publishing and website creation He took many years to learn their basic tips So that people do not get suffered like himself he compiled all tips he got while learning these in form of this book Hope that people will find this book brief practical and easy Friends if the art of sharing experiences with everyone is not learned then those experiences would not have special significance Those experiences remain confined to that single man and perish with him In today's times websites and e-books are the most important means of sharing experiences Therefore it is important for everyone to have basic knowledge of website creation and self-publication This book serves very well the same purpose of achieving this goal

**Countering Colonialism in Language Education** Paul Meighan, Leonardo Veliz, 2026-04-01 This landmark volume engages the lived realities of linguistic discrimination by naming and countering colonialism an operating system that marginalizes Indigenous and minoritized communities in language education The book defines colonialism as the privileging of dominant colonial languages knowledges and neoliberal valorizations of diversity operating from

ideology and policy to practice and outcomes Spanning the epistemic and geographic Global South chapters present case studies narratives pedagogical interventions and curriculum and policy analyses Together they show how the system operates informing a practical counter practice toolkit for curriculum and assessment design institutional change and policy routes The book recenters Global South and Indigenous epistemologies as sources of theory and method advancing raciolinguistic perspectives and multilingual frameworks such as translanguaging and plurilingualism Contributors mobilize Sumud and Ubuntu pedagogies heteroglossic space making life story and autoethnographic methods place based inquiry and AI literacies to expose and counter the colonialingual ideologies sustaining native speakerism accentism and linguistic racism within English language education and beyond Ultimately the volume demonstrates how minoritized communities resist reclaim and revitalize their languages and knowledge systems and how programs and policies can be redesigned in accountable pluriversal ways It will appeal to scholars researchers practitioners and postgraduate students in applied linguistics TESOL and language education engaged with urgent issues of linguistic and epistemic justice and decolonization
