Crazy Loco:

Crazy Loco David Rice, 2001 *Crazy Loco* is a collection of humorous stories about growing up Mexican American. The stories are about family friends finding yourself and sometimes about being a little crazy. *Crazy Loco Love* Victor Villasenor, 2010-11-09 Growing up on his parents ranch in North San Diego County Victor Villasenor's teenage years were marked by a painful quest to find a place for himself in a world he did not fit into. Discriminated due to his Mexican heritage Victor questions the tenets of his faith and the restrictions it places on his own spirituality and sexuality. Ultimately his search for identity takes him to Mexico to learn of his family's roots where he soon discovers that his heritage doesn't determine his intelligence or success. Through this often humorous and poignant tale Victor deftly undermines the macho stereotype so often associated with Latinos while exposing the tender vulnerability and naivete of a young man grappling with the roles foisted on him by the church and society. Victor's youthful misadventures elicit sympathy, laughter, and tears as he attempts to divine the mysteries of the opposite sex in this powerful revealing memoir. The clarity that comes from Villasenor's personal and cultural experience is not matched in any of Steinbeck's major works. *Los Angeles Times* **Crazy Loco** David Talbot Rice, 2003-07-14 A powerful collection of short stories telling the tales of a Mexican American childhood ideal for fans of Gary Soto. Welcome to Southern Texas. Meet Loco, a dog with a passion for firecrackers. And Pedro, an altar boy forced to learn a hard lesson from two of the toughest oldest men ever to serve the Lord. Jordan and Todd are two boys from California who don't know what they're in for when they push their Texas cousins a little too far. Loosely based on the author's own childhood as a Mexican American boy in south Texas, this story collection is a moving whirlwind of humor and insight, brash, tender, and full of the unexpected. [Crazy Loco: Stories](#) David Rice, 2003-07 For use in schools and libraries only. A collection of nine stories about Mexican American kids growing up in the Rio Grande Valley of southern Texas. [Crazy Loco Love](#) Victor Villasenor, 2008-01-01 The fourth installment in bestselling and acclaimed author Villasenor's family saga is a moving story of adolescence, sexual awakening, and the quest to learn what it takes to be a man. [Multiple Marginality and Gangs](#) James Diego Vigil, 2020-08-20 *Multiple Marginality and Gangs Through a Prism* Darkly unravels the youth gang problem in a multidimensional approach that encompasses the place, status, social control, subcultural, and identity facets of urban street gangs. The power of place and the status of persons and groups are the major forces that generate the many situations and conditions that give rise to gangs. In its simplest trajectory, *Multiple Marginality* can be modeled as follows: place/status to street socialization to street subculture to street identity. It is the actions and reactions among them that we fathom. As we witness detrimental or absent family influence, we also observe weaker, underfunded schools that limit educators' reach. At the same time, there has been an increase in the militarization of law enforcement to deal with the youth street populations; the heaviest hand is that of the police. There is a causal relationship between social marginalization factors and gang membership. A psychological analysis also entails how street socialization leads to a street identity. In a place and

status group the cascading effects of marginalization have certainly affected and mostly thwarted social control institutions

Mendez-Villarrubia,1997-06 In Using DSM IV Dr Anthony LaBruzzo and Jose Mendez Villarrubia offer the needed supplement to DSM IV Their book a veritable road map for DSM IV explains the technical language and hierarchical classifications of DSM IV while it demonstrates how the system can be adapted to a clinical approach In cogent prose replete with examples the authors show how to use DSM IV to arrive at accurate diagnoses that include rather than forsake dynamic conceptualizations of clients psychological functioning The authors review each DSM IV diagnostic category helping the reader to see what clients with a specific pathology look like what is actually needed to qualify for the disorder and what

similar disorders to rule out. Because there is a fundamentally humane and clinical approach to mental illness, LaBruzza and Mendez Villarrubia suggest that any interview, even a mental status exam, should be a helpful experience for the client. They show how to embed a diagnostic interview in an ongoing clinical process and thus relate to and understand each client as unique, even while finding the right diagnostic category for him or her. This attunement to individuals also enables LaBruzza and Mendez Villarrubia to consider issues of cultural diversity. Both authors have extensive experience working with Hispanic populations and have included an in-depth chapter on assessing Hispanic clients. In this new era of managed health care, the demand for uniform, accurate diagnoses has never been higher. Facility with the DSM-IV system is imperative. But so too is a thoughtful understanding of clients. Using DSM-IV is the one resource that can help clinicians combine descriptive and dynamic orientations to clients to produce a truly comprehensive diagnosis. As an explanatory and inclusive manual of DSM-IV, this is the essential book.

The Gringo Champion by Aura Xilonen, 2017-01-17. The award-winning debut novel by young Mexican author Aura Xilonen. *The Gringo Champion* is a thrillingly inventive story about crossing borders that the Los Angeles Review of Books called one of the must-read books of 2017. Liborio has to leave Mexico, a land that has taught him little more than a keen instinct for survival. He crosses the Rio Bravo like so many others to reach the promised land. And in a barrio like any other in some gringo city, this illegal immigrant tells his story. As Liborio narrates his memories, we discover a childhood scarred by malnutrition and abandonment, an adolescence lived with a sense of having nothing to lose. In his new home, he finds a job at a bookstore. He falls in love with a woman so intensely that his fantasies of her verge on obsession. And finally, he finds himself on a path that just might save him; he becomes a boxer. This is a migrant's story of deracination, loneliness, fear, and finally love, told in a sparkling, innovative prose. It's *Million Dollar Baby* meets *The Brief Wondrous Life of Oscar Wao* and a story of migration and hope that is as topical as it is timeless.
