The Star Wars Heresies Paul F. McDonald,2013-09-17 Despite the insatiable public appetite for all things Star Wars the more analytical side of the saga is all too often ignored This book offers a new way of seeing George Lucas space opera particularly the prequel trilogy a series never given a fair chance because of constant comparisons to the iconic originals In the classic style of Joseph Campbell the trilogy is viewed through the lens of myth and metaphor revealing a body of work not only worthy of scholarly study but perhaps destined to find therein its home A wide variety of philosophical and mythological themes are presented and expounded upon drawing from a rich source of scholars thinkers writers and poets from East and West alike Heretical or not the Star Wars prequels are a surprisingly rich source of insight into the saga as well as the human drama as a whole
