The Opening of the Third Eye Dr. Douglas M. Baker,2014-03-02 The Opening of the Third Eye The human brain is a priceless computer lying perfectly maintained but almost silent None of us uses the full potential of this amazing instrument yet we all possess a secret trigger for activating its mechanism Called the Third Eye in occult language this trigger can release a vortex of psychic energy for the extension of awareness in new dimensions for speeding up or slowing down time as experienced on our planet and achieving one hundred per cent personality integration Dr Baker reveals that the Third Eye derives its power from the pineal pituitary and carotid glands allied to whirlwinds of energy known as chakras or force centres There are seven of these centres in the human body their physical location being the base of the spine the solar plexus the spleen the heart the throat the brow and the top of the head Five safe techniques for arousing the Third Eye are provided They have been practised by the author without hazard and with many rewards for over forty years In our present condition we can only observe the outer surface of the planet manifesting in gaseous liquid and solid form We are completely unaware of the subtler states of matter beneath these outward appearances But the Third Eye reveals all underlying structures This means that one could observe the termites in apparently solid wooden paneling or more constructively man s inner organs could be observed and all traces of disease in them immediately recognised with consequent enormous benefits to medical progress

Yancey,2007-09 The author was born and raised in the Bedford Stuyvesant Crown Heights sections of Brooklyn New York where he grew up with his grandmother grandfather mother and aunts Throughout his life he would encounter the hardships of life that propelled him to learn the many valuable lessons and advice he ignored from the elders of his family Later in life he would pay the consequences for not listening by going to prison where most of his education began The Third Eye Book of Jewels is based on personal experiences and life observations

learning from his own mistakes as well as others It s full of wisdom Pain teaches you many lessons and without it this book would not have been written The book will make you think and reconstruct your mind and actions Last but not least it s direction will keep you focused on the most important thing your life and those you love The author now resides in Pennsylvania with his wife and three daughters
