How To Myth Retelling Novel:

Myth in the Modern Novel Liisa Steinby, 2023-03-20 Myth in the Modern Novel Imagining the Absolute posits a twofold thesis First although Modernity is regarded as an era dominated by science and rational thought it has in fact not relinquished the hold of myth a more primitive form of thought which is difficult to reconcile with modern rationality Second some of the most important statements as to the reconcilability of myth and Modernity are found in the work of certain prominent novelists This book offers a close examination of the work of eleven writers from the late eighteenth century to the beginning of the twenty first representing German French American Czech and Swedish literature The analyses of individual novels reveal a variety of intriguing views of myth in Modernity and offer an insight into the modernizing transformations myth has undergone when applied in the modern novel The study shows the presence of the subconscious the mythic layer in modern western culture and how this has been dealt with in novelistic literature

The Book of Lamentations Rosario Castellanos, 1998-08-01 Set in the highlands of the Mexican state of Chiapas The Book of Lamentations tells of a fictionalized Mayan uprising that resembles many of the rebellions that have taken place since the indigenous people of the area were first conquered by European invaders five hundred years ago With the panoramic sweep of a Diego Rivera mural the novel weaves together dozens of plot lines perspectives and characters Blending a wealth of historical information and local detail with a profound understanding of the complex relationship between victim and tormentor Castellanos captures the ambiguities that underlie all struggles for power A masterpiece of contemporary Latin American fiction from Mexico s greatest twentieth century woman writer The Book of Lamentations was translated with an afterword by Ester Allen and introduction by Alma Guillermoprieto

Technologies of Memory in the Arts L. Plate, A. Smelik, 2009-05-14 In this collection of essays a range of scholars from different disciplines look through the prism of technology at the much debated notion of cultural memory analysing how the past is shaped or unsettled by cultural texts including visual art literature cinema photographs and souvenirs

Heroines of the Postmodern and their Worlds in Contemporary Historical Fiction Alicja Bemben, Michael Joseph, 2025-09-29 This volume focuses on historical fiction written by and for women approximately in the last 30 years and across the entire globe It comprises three parts Part 1 draws on the theme of the inner life and experiences of the female historical figure Part 2 is concerned with genre bending that fuels the construction of the vast majority of story worlds within the genre and Part 3 with the idea of unusual angles that the historical fiction storytelling employs
