

Infotech

English for computer users

Third
Edition

Infotech is a series of English for computer users textbooks. It is designed for students of English as a second language who are studying computer science or related subjects. The series consists of three books: the Student's Book, the Teacher's Book and the Workbook. The Student's Book is the main text and contains all the material needed for the course. It is divided into ten units, each covering a different aspect of computer science. The Teacher's Book provides detailed notes and suggestions for the use of the Student's Book. The Workbook contains exercises and projects to help students practice their English skills.
