The Big Book of Home Learning Volume 1 Getting Started Mary Pride,2000-09 Parents ,1998

Discover Your Child's Learning Style Mariaemma Willis,Victoria Kindle Hodson,1999 Help Your Child Discover the Joy of Learning Does your child learn best in the morning afternoon or evening Does his reading comprehension increase or decrease when music is played in the background Does she prefer to study alone or with others According to nationally respected educators Mariaemma Willis and Victoria Kindle Hodson our children process information in a multitude of unique ways What works best for one child is often counterproductive for others By trying to force all children into the same learning mode we unfairly short circuit their education as well as their intellectual development Discover Your Child s Learning Style shows you how to assess and nurture your child s individual learning potential based on his or her talents interests disposition preferred environment and more Inside is a step by step program of self awareness tests that guide you to a better understanding of your child s unique strengths and weaknesses goals and interests and inner peace You ll discover how to create the right atmosphere for learning in the home Most important you ll help your child excel not only in school but in life as well An excellent tool for discovering how a student learns best Teaching children according to how they learn ensures optimum education for all it s an approach that could help make remedial literacy programs obsolete Patricia Flanigan California State Library Literacy Task Force Essential for any parent or teacher who works with children Suzanne Lopez psychotherapist and author of Get Smart with Your Heart A powerful tool for increasing your child s self esteem At last there is a simple solution for every child to become a winner Nancy L Chaconas M A educator author of HELP Esteem Parents who understand the principles in this book will be better parents Richard and Linda Eyre authors of Teaching Your Children Values *Emotional Intelligence for Kids* Samantha Wiggins,2012-04-10 Emotional intelligence is the safest most effective mean to live a successful life Therefore as a parent or teacher you always need to be interested in improving emotional intelligence in your child Unfortunately this vital part of every child s education is often ignored by common schooling methods You can start by searching for the emotional intelligence definition but most often than not it won t be the answer you need You first need to understand all the principles behind it and then figure out what is emotional intelligence

That is why the author starts by detailing emotions and how feelings affect our lives constantly This emotional intelligence book aims to supplement the standard education received by your kid or student by raising awareness about various methods and practices These approaches have been developed during the author s experience in the educational system and through thorough research in the field of child and group psychology Emotional Intelligence for Kids is structured in ten chapters which have been designed in such way that they could provide intensive and pertinent emotional intelligence training for your kid These chapters will help parents and teachers in achieving a more unconventional educational method focused on exposing children to activities that encourage the expression of emotions It will teach you how to develop emotional intelligence in your kids while providing a solid emotional intelligence appraisal Social skills contribute substantially to an efficient adaptation and integration in the environment we live in Through interactions with others we achieve individual goals We reach them not only through pure cognitive thought but also through emotions through human relationships that push us forward Without emotions and relationships our lives are meaningless Emotional intelligence in the workplace is also vital for your professional career Thus a child s ability to develop relationships with other children until the age of 6 years and above is often more important than having a high IQ Some kids bloom late and some early their cognitive processes start to kick in at different stages in life Developing Emotional intelligence is something that kids must practice starting kindergarten The process of developing social and emotional skills begins as early as the first years of life which is why the quality of interactions with others is crucial You won t find an emotional intelligence test or an emotional intelligence quiz here but rather a collection of emotional intelligence activities described in detail with clear objectives and instructions These activities will be your homework as a parent or tutor something to work on with your child during his learning It is the best emotional intelligence assessment you can make by practicing these activities with your young ones and guiding their reactions and providing constant feedback to them
