PMP Certification Excel with Ease is a self study guide and is essential to all Project Management Professional aspirants to clear the certification examination The book is based on A Guide to the Project Management Body of Knowledge PMBOK Guide fifth edition which presents a set of standard terminology and guidelines for project management Integrating Artificial and Human Intelligence through Agent Oriented Systems Design Michael E. Miller,Christina F. Rusnock,2024-08-28

This book departs from the assumption that Artificial Intelligence AI systems will provide a maximum advantage by replacing human cognitive processing Instead this book subscribes to the assumption that AI systems will provide a maximal advantage when the system is specifically designed to augment human intelligence It provides methods for designing effective systems that include one or more humans and one or more AI entities and uses the approach that assumes automation does not replace human activity but fundamentally changes the structure of human work when AI is added to existing systems

Integrating Artificial and Human Intelligence through Agent Oriented Systems Design discusses the potential impact of AI on human work and life and explores why teamwork is necessary today for complex work environments The book explains the processes and methods humans employ to effectively team with one another and presents the elements of artificial agents that permit them to function as team members in joint human and artificial teams It discusses design goals and illustrates how the methods that have been used to model the complex interactions among human and artificial agents can be expanded to enable the design of interaction between them to make possible the attainment of the shared goals Model Based Systems Engineering MBSE tools that provide logical designs of human agent teams the AI within these teams training to be deployed for human and artificial agent team members and the interfaces between human and artificial agent team members are all covered MBSE files containing profiles and examples for building MBSE models used in the design approach are featured on the author s website <https://lodesterresci.com> hat This book is an ideal read for students professors engineers and project managers associated with designing and developing AI systems or systems that seek to incorporate AI PMP Project Management Professional Study Guide, Fifth Edition Joseph Phillips,2018-02-02 This fully integrated study resource is completely updated for the PMBOK Sixth Edition This highly effective self study guide contains all of the information you need to prepare for the latest version of the challenging Project Management Professional exam Electronic content includes the Total Tester customizable exam engine worksheets reference PDFs and more than an hour of video training from the author Fully updated for the Sixth Edition of the PMI Project Management Body of Knowledge PMBOK Guide PMP Project Management Professional Study Guide Fifth Edition contains more than 900 accurate practice exam questions Each chapter includes a list of objectives covered a chapter review key terms a two minute drill and a self test with detailed explanations
