Harris Perlman,1957-03-15 This is a basic book in social casework Its thesis is that among all the complexities within the
subject matter and operations of casework there are certain constant elements forces and processes which give coherence
and unity to its practice Mrs Perlman identifies and analyzes these constants and views them within the logical framework of
problem solving In turn problem solving as a casework process is examined in its likeness to normal human problem solving
efforts The result is an approach to learning and thinking about casework which is at once organized synthesized and
