Storm of Shadows Madeline Freeman, 2021-01-25 The world is unraveling around me and it's all my fault. A single choice during the Bloomington protests set everything into motion. By choosing to protect the demons I've tipped the scale and my world will never be the same. Nate's wedding is two weeks away. Staying at the chancellor's mansion gives me access to classified information but some secrets should stay buried. Allies come from unexpected places and enemies abound around every corner. Unrest among ethereals grows every day but there's nothing I can do trapped in the chancellor's home. Even if I could do something it's likely my intervention will only make things worse. How can I continue on my mission when I'm not sure who I am anymore? How can I help anyone when everything I touch turns to ash? My name is Eden Everdell. Saving my people has always been my mission but I never expected to be the one who needed to be saved. Enter a fast-paced world of angels and demons. Click to buy *Storm of Shadows* today. , 2021-09-24 There are worse things than a bad hair day like having a crown taken right off your perfectly styled head. I'm Brandee Jean and I managed to win the biggest crown of all. I was an Amazon Princess and Queen of the Gods. For like two seconds. Now though Zeus is back from the dead and everything I went through to win was for nothing. Well, almost nothing. I got a hot British boyfriend who is half fae out of it even if he does correct my grammar like constantly. He's not a big fan of my Mama either. But I don't know if that's because she's kind of trashy or it's because she's a zombie. It's nice to have Mama cheering me on again even if she is undead. Cause everywhere I turn there's a fight I've got to get my crown back by competing against my boyfriend and my best friend. Convince Mama her Hades hookup is just another in a long string of bad boyfriends and stop the humans and paranormals from destroying each other. But first a hot oil treatment for my hair. Cause there's no way I'm saving the world with split ends. *Battle Brawl* is book 5 in the Mythverse series. Freeman, 2022-02-21 Everyone thinks we're dead. But the guilty party is not who it appears. One night changed our entire world and no one knows how to set things right. I'm not even sure what that is anymore. Set amid opposing factions, the Keepers must provide unity and leadership but it's hard to steer when you can't see the road ahead. The only thing for certain is doing nothing isn't an option. With each passing day it's clear the demons aren't the only ones who will suffer under the new chancellor's rule. Maddison James is about to discover some truths about the world. Firstly, supernaturals exist. WTF. Secondly, she is one, even though no one seems to know exactly what kind. Double WTF. Thirdly, she's about to go back to school. Well, things just got a little more interesting. The Supernatural Academy is where shifters, vampires, magic users, and fey are educated. Where they are taught about their abilities and how to function in the human world. Maddison already has the human part down, but this supernatural thing is an entirely new, dangerous game. Example one: mean girls who can actually turn you into a frog. Example two: Asher Locke, a god at the Academy. Not literally, well, who knows for sure. He certainly acts the part, as do all of his minions who worship him. Asher drives her crazy because apparently gorgeous and arrogant is her thing. Sparks fly between them, and the more they're thrown together, the more Asher is determined to figure out what's been blocking her abilities. Until the moment the truth is revealed, and they find out nothing in this supernatural world is what they thought. Including each other.

Supernatural Academy is 105k words, full-length urban fantasy story. Recommended 17+ due to language and sex scenes.
