Apa 6th Edition Book Reference:

Student Quick Reference Success Guide to Writing in the APA 6th Edition Style Charles P. Kost II, 2015-06-15
This book is designed to be a companion to the official Publication Manual of the American Psychology Association Sixth Edition. This book highlights the key aspects that most undergraduate and graduate students will encounter when writing research papers for course work. This resource condenses the over 250 pages of the APA Publication Manual into about 10% of the pages by including only the information needed for general research papers and providing precise instructions. Each topic includes the page number for the corresponding topic in the APA manual to allow for further clarification if needed. Save time without sacrificing accuracy with this reference guide.

Writing about Quantitative Research in Applied Linguistics L. Woodrow, 2014-09-28
With increasing pressure on academics and graduate students to publish in peer reviewed journals, this book offers a much needed guide to writing about and publishing quantitative research in applied linguistics. With annotated examples and useful resources, this book will be indispensable to graduate students and seasoned researchers alike.

Doing a Master's Dissertation in TESOL and Applied Linguistics Lindy Woodrow, 2019-10-11
Doing a Master's Dissertation in TESOL and Applied Linguistics is a practical guide for master's students tackling research and research writing for the first time. Structured for use in class or as part of an independent study and divided into the four stages of designing, researching, writing up, and submitting a dissertation, this book carefully guides readers from the very beginning of producing a research proposal all the way through to assessment procedures and the provisions for resubmission. It covers publishing your dissertation and applying for higher research degrees, including funding addresses, all the most fundamental concerns students have about master's dissertations, including how to choose a topic and conducting a literature review. It draws upon examples from master's dissertations from the UK, US, and Australia and provides numerous how-to tables and checklists and includes activities and resources to facilitate master's research and dissertation writing, as well as FAQs and solutions at the end of each chapter. Tailormade for MA students in TESOL or Applied Linguistics, this book is essential reading for students on these degrees around the world, as well as for their supervisors and programme directors.

Dissertation and Scholarly Research: Recipes for Success: 2018 Edition Jim Goes, Marilyn K. Simon, 2017-09-20
A Dissertation Guide for Professional Learners
Doctoral education has changed dramatically over the last three decades. Traditionally, pursuit of a doctoral or research credential involved intense study at a large traditional research university and was reserved for those seeking careers in academia or research. The process of completing doctoral level work at traditional universities usually required a commitment to full-time study, varied tremendously between institutions, and was often somewhat mysterious. Today, all this has changed. The emergence and growth of online education has led to a proliferation of doctoral learning possibilities for busy professionals. Individuals in the industry, nonprofit, and education sectors are pursuing doctoral study as a means to advance their careers, increase their

market value in the workplace and establish their professional stature If this sounds like you then you have come to the right place Recipes for Success is the book that will launch you on a successful quest for the doctoral degree Dissertations are very personal endeavors and accomplishments originating with problems and issues that are meaningful and important to the doctoral learner These professionals are deeply grounded in their understanding of the issues and needs of their profession Recipes build on this this understanding helping learners to discover and frame issues they are passionate about and construct a credible and influential research study around this passion While most dissertation guides focus largely or exclusively on the mechanics of writing and organization Recipes approaches dissertation development as an iterative process of thinking and self reflection that leads learners to discover what matters most to them and to their professions and enables them to frame this meaning into a research problem and purpose and to organize and execute a study design to fit and thus solve the problem and achieve the purpose From the very beginning of your doctoral journey to the ultimate achievement of degree completion this book is your guide to the process and content of dissertation and research creation In Recipes for Success we articulate a process by which you can build the pieces of a successful and influential dissertation Using a workbook approach rich in tools templates frameworks examples web integration and hard won lessons from experience Recipes provides a friendly easy to navigate process crafting issues and ideas into research and results Based on our 40 years of collective experience in the online educational setting mentoring over 300 professional learners to success in completing their doctorates including numerous award winners we identify the most important factors for success and the traps to avoid Whether you are considering doctoral study are already in a doctoral program or are working to develop and complete your dissertation you will find Recipes for Success a key ingredient in your success as a doctoral learner Our graduates tell us that Recipes is THE book that made a difference in their doctoral career and success YOU can do it too Good luck on your doctoral journey
