his book overflows with insights and practical advice to help you make smart leadership decisions For example Why putting the right foundational structures in place early on creates clarity and heads off problems that cause businesses to struggle and fail The importance of followership why being a good leader requires that you first be a good follower Why we tend to run from self disruption and a sense of being unsettled and how to learn to embrace them instead Why leaders should seek consent not consensus How to engage employees and create a positive workplace culture How to help employees find meaning and purpose in their work How to conduct difficult conversations and resolve conflicts and why having these skills or not can make or break you as a leader Advice for attracting and hiring the best talent retaining them over time and dealing with the low performers who drive them away Why mentoring is so powerful and how to encourage it inside your company Tips and tactics for seeing the world through your customer s eyes How to reduce customer anxiety and encourage them to buy with the right words at the right times for the right reasons The Busy Leader s Handbook functions as a desk reference and pocket guide for anyone in a leadership position It s also a great training tool for onboarding new leaders Whether you work for a start up a small or mid size business or a large corporation this book will change how you think inspire you to do your job better and help your organization thrive

**The Leadership Handbook** John C. Maxwell,2008

The path to leadership begins with a question only few of us ask How do I lead myself John Maxwell presents twenty six insights not just for those who aspire to positions of leadership but also for veteran leaders who aim to build and improve upon the steps that led them to the front of the line Sound leadership will impact any endeavor but sound leaders are prepared for risk and importantly failure just as they point the way toward achievement With application exercises and a Mentoring Moment to accompany each chapter The Leadership Handbook presents a road map for a path many may cross but few choose to follow A leader counsels Maxwell never has to recover from a good start Publisher s website *The Leadership Handbook* Bomi Doctor,2020-11-06 There are several types of leaders however essentially two variants one who holds the designation of a leader and the other whose job demands leadership quality You do not need to have a title to be a leader A good leader is one who develops leaders under him While a lot has been written on leadership few if any by an Indian who has worn out the soles of his shoes in the Indian corporate world from field to desk to leadership This book defines authentic leadership in the context of today s world What makes this book a great handbook for a new manager or a seasoned one is it s Power of Simplicity which rests on actual experiences drawn from the author s own work life This is a great handbook for aspiring leaders and leaders as well and has lots of practical examples that actually allow leaders referral points to navigate their own corporate attitude associations and path A master at identifying pain points Doctor has left nothing to subtly and bluntly confront the issues at hand His plain speaking style will resonate with managers on the job like it has in the course of his various consultancy assignments A book to be thumbed through ever so often and in real time it is powerful and insightful A must read this book offers tremendous value in terms of guidance and growth for those young

leaders who want to excel in their assigned roles For all those leaders who extract the lessons from this simple yet powerful book the reward in terms of results will be extraordinary
