Art Models Practical Poses For The Working Artist:

Art Models 8 Maureen Johnson, Douglas Johnson, 2013-09 The art model series puts a team of professional models on your schedule whenever and wherever you need them This collection of full color high resolution photos of the nude human form enables meaningful work or practice even when a live model is not available a valuable addition to any figurative artist's library Container

Art Models BenP028 Douglas Johnson, 2017-05-15 Draw paint sculpt the figure anytime and anywhere with this portable figure reference This Pose gives you 27 photos one every 15 degrees as the model turns through a full circle plus alternate angles Choose your preferred view for 2D art like painting or see the whole figure for 3D art like sculpture Zoom in to see details in hands and face and other tricky areas giving you even more options for how to use the photos Whatever your goal such as practicing to improve your skills or creating a finished work of art or just unwinding at the end of a long day with some figure drawing Art Models Poses provide a quality reference you can come back to again and again Don't spend hours searching for reference material only to find photos of questionable content and dubious quality We've spent years in the studio and you get the benefit expertly crafted photos designed specifically for figure art Just look through the Art Models covers for the Poses that inspire you and get right to the part you actually like creating art This ebook has the BenP028 Pose as shown on the cover

Art Models Anastasia005 Douglas Johnson, 2017-04-24 Draw paint sculpt the figure anytime and anywhere with this portable figure reference Each Pose gives you 24 or more photos one every 15 degrees as the model turns through a full circle Choose your preferred view for 2D art like painting or see the whole figure for 3D art like sculpture Zoom in to see details in hands and face and other tricky areas giving you even more options for how to use the photos Whatever your goal such as practicing to improve your skills or creating a finished work of art or just unwinding at the end of a long day with some figure drawing Art Models Poses provide a quality reference you can come back to again and again Don't spend hours searching for reference material only to find photos of questionable content and dubious quality We've spent years in the studio and you get the benefit expertly crafted photos designed specifically for figure art Just look through the Art Models covers for the Poses that inspire you and get right to the part you actually like creating art This ebook has the Anastasia005 Pose as shown on the cover

Art Models 9 Douglas Johnson, Maureen Johnson, 2016-01-01 Draw paint or sculpt the human figure Models for figure drawing painting or sculpting are traditionally nude This 9th book in the Art Models series however is all about the non nude figure finally making this acclaimed reference available to younger artists Now anyone can study the figure at length and in close up detail anytime and anywhere Practice your technique design a scene study anatomy and drapery make a finished portrait do some gesture sketching The uses of these photos are limited only by your own creativity Artists wishing to practice or even create finished works of art will find a lot to inspire them Instructors can refer students of many ages to this book for practice and reference And the publisher gives full permission to do whatever you wish with the artwork created using Art Models 9 as a reference Every artist has a

unique perspective and Art Models 9 includes a wide range of poses for maximum variety For example there are technical poses like simple standing contrapposto and the T pose but also action poses like jumping and kicking as well as sitting and reclining There are also some quiet moments portraying mood through posture and lighting Portraits and expressions round out the mix The lighting is varied some photos are evenly lit while others are more chiaroscuro giving ample opportunity to observe the effects of shadowing Clothing varies from simple drapery with arms crossed over the chest to underwear ordinary street cloths and costumes Art Models 9 has several formats In the standard ebook 74 poses are shown in 94 full page photos There is also a Companion Disk which has all the photos in maximum resolution for use on a PC Mac or laptop This ebook does not have the full 360 degree views of every pose If you would like all the views of all the poses please see the Companion Disk

Art Models 6 Maureen Johnson,Douglas Johnson,2011-09-01 Whether trying a new technique getting in some practice time or working on a finished piece this figure study enables artists to work when and where they want with their choice of model and pose This book in the series will help artists become proficient in incorporating chiaroscuro or light and dark lighting a technique used by the great masters to produce drama and depth in their paintings to define the human form The book incorporates a new layout featuring two primary views per pose as well as close up faces With the book artists can study 95 poses in strong unidirectional lighting and observe the female form through more than 200 photos Varieties of body types ranging from thin to plus size and ethnicities are included Poses have been carefully chosen to illustrate important effects such as foreshortening and perspective changes With this guide artists can achieve longer drawing sessions than they could when drawing from a model directly A judicious amount of photo retouching is done not to make the models more glamorous or plastic but to remove distractions that detract from the models essence Each photo may be zoomed in on specific body parts to achieve a higher level of detail This ebook does not have the full 360 degree views of every pose If you would like all the views of all the poses please see the Companion Disk or print book with disk

[Art Models 7](#) Maureen Johnson,Douglas Johnson,2012-07-01 Artists in search of figures in intense action flying through the air punching kicking and crouching will find more than 100 poses of male and female models in 28 categories of dynamic movement in the latest addition to the Art Models series Informed by diverse sources such as baroque art with its moody lighting and twisting figures and comic books with heroic figures in strong stances and suspicious crouches this visual reference will inspire any artist comic book artists animators video game designers and illustrators interested in depicting drama Time stopping photos of actions including jumping falling or swinging a sword offer artists a series of expertly photographed views that would be very challenging to achieve with a studio model Art Models 7 also presents a number of the series trademark stationary poses Each photo may be zoomed in on specific body parts to achieve a higher level of detail This ebook does not have the full 360 degree views of every pose If you would like all the views of all the poses please see the Companion Disk or print book with disk
