The cover features a series of light blue, semi-transparent diagrams of biological structures. At the top, there are several circular diagrams showing cells with internal organelles and arrows indicating a process. Below these, there are more detailed diagrams of cells, some with cilia or flagella. At the bottom center, there is a large, prominent diagram of a cell with a highly irregular, star-like or spiky outer boundary, possibly representing a specialized cell or a pathogen. The background is a solid blue color with a subtle texture.
