Gunning,2005 With its inclusive view of literacy Creating Literacy Instruction for All Studentsemphasizes methods that have been validated by research and practice while delivering the basics of all major aspects of reading and writing The Fifth Edition of this best selling book continues to be a comprehensive practical text that provides its readers with step by

step guidance for teaching reading and writing Written by distinguished author Tom Gunning this text features sample lessons for virtually every major literacy skill strategy and offers numerous reinforcement suggestions and generous listings of materials With its careful balance between the theory and the practice readers are always given the theories behind the methods encouraging them to choose adapt and construct their own approaches as they create a balanced program of literacy instruction Special emphasis has been given to adapting instruction for English language learners struggling readers and writers and special needs students throughout the book Unlike comparable texts the new edition stresses effective steps for closing the gap between achieving and struggling readers as mandated by the No Child Left Behind legislation and Reading First

Teaching Language and Literacy James F. Christie, Billie Enz, Carol Vukelich, 2003 The unique focus of this text integrates constructivist learning diversity and instruction based assessment and helps translate principles into practice The central underlying thesis of Teaching Language and Literacy is that children are at the center of all good language and literacy teaching The text with broad coverage of preschool through the elementary grades advocates an appreciation of student diversity and an implementation of assessment strategies relating to specific learning teaching events The text describes how children construct their own knowledge about oral and written language by engaging in integrated meaningful and functional activities with other people in a variety of contexts It then goes one step further describing how teachers can design authentic classroom reasons for using oral and written language In keeping with the text's theme illustrations of how teachers can work effectively with diverse learners appear throughout the text In addition instructionally linked assessment is another important topic central to the text
