Cultural Tourism Research Methods Greg Richards,Wil Munsters,2010 Cultural tourism includes experiencing local culture traditions and lifestyle participation in arts related activities and visits to museums monuments and heritage sites This book reviews a wide range of qualitative and quantitative research methods applied to the field It is suitable for students and researchers in tourism and leisure

Tourism Research Methods Brent W. Ritchie,Peter Burns,Catherine Palmer,2005 Within the tourism industry there is a growing consensus on the need for research to investigate the economic social and environmental impacts of tourism However existing research methods texts are based solely on either the business approach or the social science approach to tourism They often fail to provide real world examples of how to plan implement or analyse tourism related research This book aims to address this divide by integrating theory with practice through the inclusion of specific tourism research case studies alongside research theory It considers a wide range of research issues

approaches and techniques with contributions from both experienced and new researchers Qualitative Research in Tourism Jenny Phillimore, Lisa Goodson, 2004 Whilst qualitative approaches are beginning to be more commonly used and accepted in tourism discussions of research methods have rarely moved beyond practical considerations Limited attention given to the underlying philosophical and theoretical underpinnings that influence the research process This book links the theory with research practice to offer a more holistic account of how qualitative research can be used in tourism
