

## APUSH Period 5: 1844- 1877: Everything You Need to Know!

### SUMMARY: Unit 5 Topic 2

- The phrase “manifest destiny” was coined by newspaper editor John O’Sullivan in 1845, who wrote that America had a god-given right to possess the entire continent
- Americans expanded westward for three main reasons:
  - 1) Needed more access to minerals and natural resources
    - California Gold Rush of 1848: discovery of gold in California led people from the east to rush to stake their claim in California
    - Discoveries of gold and silver in Colorado, the Dakotas and Nevada prompted similar westward movement
  - 2) Sought new economic and homestead opportunities
    - Preemption Acts of the 1830s and ‘40s made large swaths of cheap land available to those who would set up a homestead and farm
    - Migrations were made largely by the middle class, since the poor didn’t have the resources to move westward
  - 3) Religious refuge
    - Upwards of 70,000 Mormons migrated to the Utah territory due to persecution surrounding their practice of polygamy
- Texas territory:
  - Americans began settling in Texas in the 1820s- by 1830, 3x as many Americans as Mexicans lived in the Texas territory
  - Most immigrants were Southern, Protestant, and slave-owning, which was problematic because Mexico had two requirements of its immigrants: 1) convert to Roman Catholicism and 2) don’t practice slavery! Texans ignored these; Mexico closed borders to immigration, which Texans also ignored
  - 1834: Change in Mexican government; new dictator sought to clamp down on the regulations on the books regarding American immigrants
    - Texan-Americans revolted against the new government under the leadership of Sam Houston and declared Texas to be an independent republic in 1836
    - Mexico sent forces north to put down this rebellion; won a stunning victory at the Alamo, killing every American who defended it
    - Houston and his army engaged Mexicans in the battle of San Jacinto, where they captured the Mexican general and forced him to sign a treaty granting Texas independence (which he did not have the authority to do)
    - Texas then claimed its independence, which Mexico did not recognize
