#### Nationalism in India

Modern nationalism in Europe came to be associated with the formation of nation-states. It also meant a change in people's understanding of who they were, and what defined their identity and sense of belonging. How did this consciousness emerge in India ?

The text below is very faint and mostly illegible. It appears to be a continuation of the case study or a set of introductory questions. It discusses the process of nationalism in India, mentioning the role of the Congress and the formation of a national identity.

- 11.1 What was people's understanding of nation ?
- 11.2 How was the growth of national consciousness associated with the anti-colonial movement ?
- 11.3 How did people in India develop a sense of collective belonging ?
